"DO YOU REMEMBER"---

Dedication

We, the Sabiduria staff of 1951-52, dedicate this year's book to Stanley I. Hayden, Director of Admissions and Registrar of Missouri Valley College.

On his desk falls the unrelenting task of keeping our lamp of knowledge burning brightly through the years at Missouri Valley.

Through ceaseless correspondence to prospective students he gives us the light that leads students on the road to new educational horizons.

For this service to us, our college, and our friends, we, the staff, respectfully dedicate this book to him.

Student Senate

LEFT TO RIGHT: Seated—R. DuSold, Alpha Sigma Phi; Fritz Schupp, Student Body Vice-President; V. Phillips, Student Body President; N. Brisley, Town; D. Crabtree, Young Hall.; Standing—J. Fee, Sigma Nu; B. Johnson, Young Hall; B. Jensen, Girl's Dorm; D. Moore, Girl's Dorm; G. Heim, Black Hall; F. Schweigerdt, Campbell Hall; L. Perryman, Town.

Two factors served to make the Student Senate of Missouri Valley College a far more important voice in campus affairs during the 1951-1952 academic year than for many years past. Those factors were the granting of new powers and responsibilities to the student governing group by President M. Earle Collins and an awakened student consciousness of the Senate as the proper means through which to express their suggestions and grievances.

Probably the greatest achievement of the Senate was in the realm of student-faculty relationships, with the appointment of several joint committees of student and faculty members. Some of the committees were permanent; others were of only a temporary nature. All committees functioned smoothly and well.

Another outstanding achievement of the Senate during the school year were the complete revision of the student constitution so that a new vehicle of government, modernized and adequate to existing needs, was developed. The voting procedure of the campus was reorganized on a more democratic basis, with elections being conducted through polling booths in Ferguson Student Union, rather than in assembly.

Student Body Officers

LEFT TO RIGHT: Fritz Schupp, Vice-president and President second semester; Verlyn "Red" Phillips, president first semester; Nancy Brisley, secretary.

No small amount of the success achieved by the Student Senate in 1951-52 was due to the very capable and energetic officers who guided the legislative group. If a very unusual year, the Senate had as its presiding officer two persons, with the president elected in April, 1951, being graduated in February, 1952.

He was Verlyn "Red" Phillips, senior from Parsons, Kansas. After Mr. Phillips' graduation, Fritz Schupp, senior from Blackwater, Mo., who had served excellently as "Red's" vice-president, was moved into the office of president through interpretation of the student constitution. Mr. Schupp completed the year 1952 as president.

Other officers of the Senate were: Nancy Brisley, secretary; Diana Moore, treasurer; and Scotty Thompson, a veteran of four years' continuous membership on the Senate, a member-at-large of the executive council.

Standing committees of the 1951-52 and permanent student-faculty committees on the campus were:

STANDING COMMITTEES

Executive Council —
Fritz Schupp, Nancy Brisley,
Diana Moore, Scotty Thompson

Constitution Committee —
Frank Tikalsky, Diana Moore,
Dan Crabtree

Election Board —
Dean R. S. Linnell,

Bill Ault, Bob Morrisseau, Howard Ziegenhorn,
Bob Nicholson, Shirley Hartley

Student Senate Social Life Committee

LEFT TO RIGHT: Seated—Mr. Linnell, advisor; N. Wardlow, student Christian Association; R. Wall, Chairman; F. Schupp, Sigma Nu; Miss Davidson, Advisor; Second Row—B. Lay, Women's Student Government Association; K. Jones, Delta Zeta; J. Smith, Alpha Xi Delta; R. Morgan, Women's Student Government Association; S. Mullins, Women's Athletic Association; C. Skaggs, Alpha Xi Delta; S. Hartley, Women's Athletic Association; Back Row—Floyd Siebert, Alpha Phi Omega; Dave Stone, Alpha Sigma Phi; J. Mohrman, Alpha Phi Omega; Dale Vanselow, Valley Players; Neil Featherstone, Alpha Sigma Phi.

One of the best social programs in recent years for students of Missouri Valley was the result of work and planning by the social life committee. Two chairmen of the committee in 1951-52 were Fritz Schupp, who served until he became student president at mid-year, and Roger Wall, who finished the year. The committee was composed both semesters of representatives of these organizations: Delta Zeta, Sigma Nu, Alpha Sigma Phi, Alpha Xi Delta, Women's Athletic Association, Alpha Phi Omega, Student Christian Association, "V" Club, and Valley Players. The secretary of the SSSLC was Nancy Wardlow.

The energetic committee was entirely responsible for a 1951 Homecoming celebration unanimously acclaimed by students, faculty, and graduates as the "best ever." The festivities included the Homecoming dance, campus decorations, and a gala parade.

Other events of the year were the May Dance, the Christmas dance, an all-school square dance, and numerous candlelight dances in the Student Union on week-ends.

Homecoming winners in various events were: Best decorated dormitory—Sigma Nu, best decorated entrance—Delta Zeta, best float—Alpha Phi Omega.

Women's Student Government Association

LEFT TO RIGHT: Rose Ann Dubach, Clara Lee Pederson, Mary Titsworth, Pat Wolverton, Pat Johnson, Barbara Lay, Rose Morgan.

With valley's women students officially established in their new home, the \$550,000 new dormitory, the Women's Student Government Association assumed the same functions and responsibilities they exercised in past years. The WSGA is composed of representatives, termed proctors, from each wing of the dormitory and one representative from the freshman class, provided none of the wing proctors is a freshman.

An active social program is carried on by the WSGA, which also acts as a governing agency in hearing and considering suggestions and complaints of house residents. Certain regulations pertaining to the dormitory are under the jurisdiction of the WSGA.

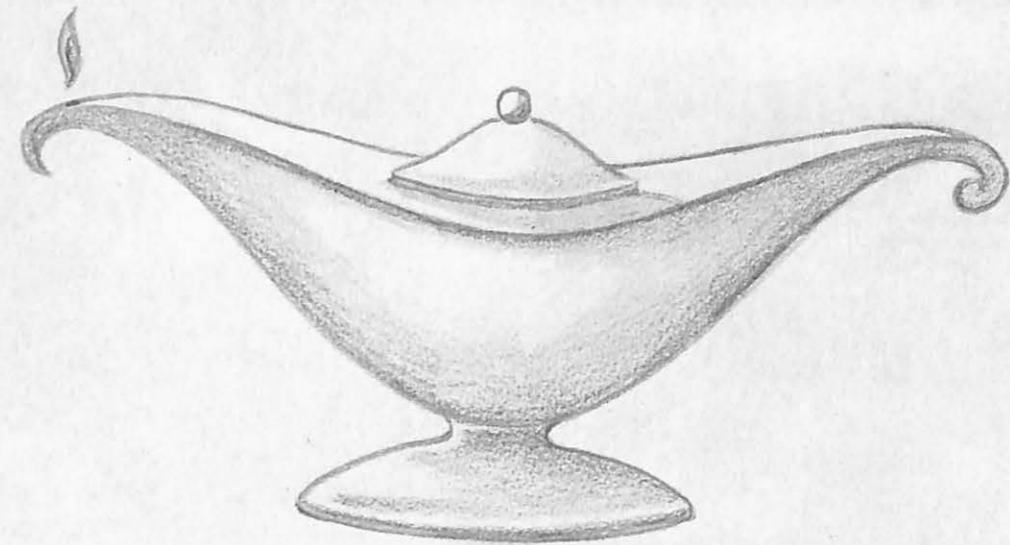

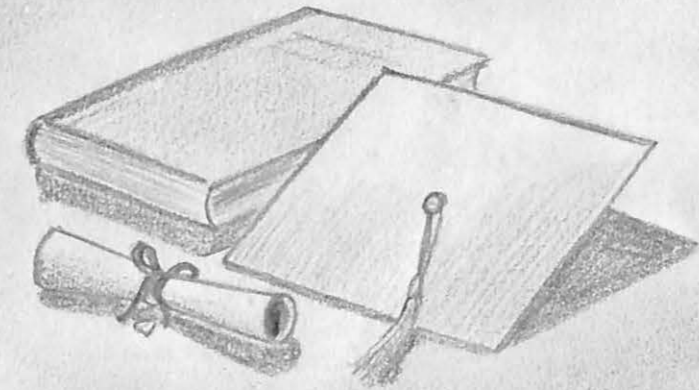

Events and activities held under the supervision of the association in 1951-52 were: the annual Skirt Hop, a Christmas party, a formal tea in the fall, Christmas caroling, and decorating the dormitory during Homecoming. One accomplishment of the WSGA this year was the revision of the constitution under which the council functions.

Officers for the year were:

President	Barbara Lay
Vice-President	Rose Morgan
Secretary	Clara Lee Pederson
Treasurer	Rose Ann Dubach

Sigma Nu

Sigma Nu, national social fraternity, received its charter on Valley's campus in 1891. Beta Gamma has been ably sponsored and blessed with good leadership, and has always lived up to the purposes of Sigma Nu—honor, intellectual achievement, and social development. Mr. John Roberts, a charter member of Beta Gamma and presently a member of the board of trustees of the college, is national treasurer of Sigma Nu.

This year Sigma Nu swept Homecoming awards by winning first prize on its dorm decorations with its mechanized, 19-foot effigy of a Viking football player pushing a roller over a flattened Culver-Stockton Wildcat. Second prize was received for the gate decoration of a "good luck" horseshoe, and second place on its float in the form of a volcano, which belled real smoke from its coaster.

Sigma Nu's annual costume dance has as its theme "The Roaring Twenties." The "White Rose" formal following the May dance climaxed the year's social activities.

Sigma Nu has proudly redecorated their lounge and added a television set. An open house for the faculty and student body showed them the chapter's accomplishments.

Sigma Nu Men were quite active. They took the intramural football and basketball championships. The fraternity was well represented in the varsity athletics, including three members on the all-MCAU football team. Other campus positions were taken by Sigma Nu's, including student body president, chairman of Student Senate Social Life Committee, Homecoming parade marshal, two class presidents, four organizational presidents, as well as a substantial number on the honor roll.

Beta Gamma pledged 14 men, the first semester and five the second. Men of Beta Gamma have reason to be proud of their fraternity and we are confident the high standards of Sigma Nu will be maintained.

Beta Gamma is proud of its advisor, "Pop" Ferguson, who was one of the chapter's earliest pledges. (Right)

Alpha Sigma Phi

Alpha Omicron chapter of Alpha Sigma Phi, a national social fraternity, has been active on the Valley campus since 1945 and during this time has constantly strived to fulfill the purposes of Alpha Sig which may be summarized in one phrase -- to better the man.

Undoubtly the chapter experienced the finest year in its history in all phases of its activities. The annual Homecoming picnic was held at Van Meter Park with many alumni in attendance. The "1951 Sweetheart of Alpha Sigma Phi" was presented at the annual Christmas Dance. Two costume parties, "Gansters In A Speakeasy" and a "Mexican Hat Dance," were held during the spring semester and proved to be two of the finest social events in the chapter's history. The Talisman Room, a clubroom complete with coke bar in the basement of the chapter house, was open to members and their dates on weekend evenings. The chapter combo provided entertainment for many of these events.

Professor Harold E. Affsprung continued ably in the capacity of faculty advisor. During the second semester, Dr. J. H. Stellwagen, a lost Greek, accepted an invitation to become a social advisor of the fraternity. The inspirational guidance of these two men did much to perpetuate the chapter in its activities throughout the year.

JANES

The Gamma Gamma chapter of Delta Zeta sorority was founded on the Missouri Valley campus in 1945. Since that time, it has been an active part of life on the campus.

The 1951-52 school year has added many activities to the history of this chapter. The fall rush week was climaxed with the annual Rose Banquet held at the Bothwell Hotel in Sedalia, Missouri. Some of the many social activities this year included a hay ride for Delta Zetas and their dates last October, a bowling party each semester, a Christmas party, and a "Paddle Party" given in January by the pledges for the active members. On February 29, the sorority held an afternoon tea for the college faculty and our patronesses, honoring Miss Martha

Spath, our new faculty advisor, and Mrs. Willis Vanderlinden, our new patroness.

Many honors have come to Delta Zeta this year. Among these was the winning of the first prize for Homecoming gate decoration, which consisted of two huge argyle socks on either side of the columns and the slogan, "Argyles'll Sock Culver-Stockton." At the Christmas dance, Suzanne Fisher was crowned sweetheart of Alpha Sigma Phi. Her escort was David Stone.

In February there were eight girls initiated into the chapter. These were Carolyn Snuffer, Anna Lois Rickels, Betty Lou Warnock, Georgeanne Hon, Donna Nieman, Katherine Janes, Betty Booth, and Martha Thomas.

Student Christian Association

President John Shaw
 Vice-President Diana Moore
 Secretary Betty Young
 Treasurer Charles Landis

Always one of the most active and productive groups on the Missouri Valley campus, the Student Christian Association this year expanded the scope of its activities in a variety of fields. The membership of the SCA this year was approximately 50, making it one of the largest organizations on campus.

In the field of social action, the SCA cooperated with other campus service agencies in a campus council of Social agencies. Children's groups sponsored by the association this year included two boys' clubs and two girls' clubs.

The SCA held a successful campus carnival to raise funds for the World Student Service Fund, and held a "Sadie Hawkin's Day" dance for the financial benefit of International Christian University in Japan. Among the many outstanding programs held during the year, possibly the best was a dinner, at which the speaker was Dr. Samuel Mayerberg, outstanding Jewish rabbi from Kansas City.

Alpha Phi Omega

Organized in the fall of 1946, Epsilon Epsilon Chapter of Alpha Phi Omega has served Valley six years as a fraternity founded on the principles of friendship, leadership, and service.

Alpha Phi Omega strives to promote and render service to the campus, the community, and the nation. Epsilon Epsilon's campus service projects have included operating the concession stand at football games and ushering for chapel and assemblies.

The chapter participated in securing students to donate blood in the Red Cross drive. By means of the Ugly Man - Sag Queen contest it raised money for CARE. Leaders for programs at Blosser Home, Scout troops, Junior Optimist clubs, the teen-town, and other youth groups were provided by the fraternity.

Looking forward to continued growth, Epsilon Epsilon hopes to make more meaningful the phrase "another service of APO."

Only three semesters old, the Humanics club has a long list of activities and a strong group spirit. During its organizational period the group had a membership of forty. This number has been added to each semester until it now has 100 students in its ranks.

A departmental organization, the Humanics club owes its founding to the establishment of the Department of Human Relations. This program was brought to Missouri Valley College by the American Humanics Foundation. The purpose of this foundation is to provide an adequate undergraduate education for those young people of America, who are planning

to become professional leaders in the areas of Social Group Work and Personnel Management.

Activities of the group are turned in many directions. Several field trips were taken by the club this past year to permit the members to observe outstanding activities in the youth work field. During the weekly seminar-meetings, opportunity is given to the group to share in discussions with outstanding leaders in various fields of social work. A wealth of experience is provided to and gained by the members through the rendering of services to the varied social agencies in Marshall.

Band

President Bob McQuiddy
 Vice-President Fred Cowen
 Secretary Marilyn Dysart
 Director Louis A. Hansen

The band was very active during the entire year in providing musical programs and in supporting the various athletic events. During the fall the band played for all the home football games and for several assemblies, and went to Fayette for the game with Central College. In November the band participated in Sedalia's Junior Chamber of Commerce pre-Christmas parade. During the winter the band enlivened most of the home basketball games in Morrison gymnasium. In February and May more formal concerts were successfully presented in Stewart Chapel. In March and April programs were given by the band in Marshall High School and a number of schools in surrounding towns.

This extremely busy schedule would not have been possible without the fine cooperation of each member of the band, and appreciation is expressed by the college administration and the student body.

Vesper Choir

The Vesper Choir is open to all students who are interested in choral singing. This year a nicely balanced group was formed, and a full schedule of performances was undertaken. The choir, singing "a cappella", i.e., without accompaniment, provided a great variety of special anthems from the chapel balcony for many of the weekly chapel services. Special music was provided by the choir for the Inaugural service in December and for Baccalaureate and Commencement.

The traditional performance of Handel's "The Messiah" was very successfully given in December, and "The Crucifixion" by Stainer, Palm Sunday. The latter was also performed in the Slater Methodist Church on March 30.

A Cappella Choir

Tryouts for this selective group were held in the fall, those members selected then meeting weekly for rehearsals. Due to rehearsal schedule conflicts the group could not be prepared for public appearances until spring, since the objective of this choir is to attain professional proficiency as nearly as possible.

A mixed repertory of sacred and secular selections was developed and during April and May programs were given in a number of high schools and churches. At the time of this writing trips were projected to St. Louis, Kansas City, Macon, and other points.

Chi Alpha

President Bob Nicholson
 Vice-President Bob Pryor
 Secretary-Treasurer Dick McEuen

Chi Alpha is the fraternity for ministerial students at Valley. The primary purpose of this organization is to promote Christian fellowship among the students and to be of service to the churches of the community.

The original organization of Chi Alpha was in 1929, but it reorganized in the spring of 1949. On the basis of its new constitution the fraternity is trying to promote on a national scale a fraternity for ministerial students. Regular meetings are held every Thursday evening at which time members or visiting leaders take charge of the program.

Chi Alpha lost two members through transfer and graduation, but nevertheless the organization has increased in membership. As a service to Valley and also to provide for an expanding membership in the future, Chi Alpha corresponds with ministers in the state concerning prospective pre-ministerial students.

The motto of Chi Alpha is "CHRIST FIRST."

Sigma Tau Delta

President William G. Kaiser
 Vice-President W. C. Blankenship
 Secretary-Treasurer Louise Brink

The Nu Epsilon Chapter of Sigma Tau Delta was installed on March 12, 1950. Sigma Tau Delta is a national English fraternity and promotes the mastery of written expression, encourages worthwhile reading, and fosters a spirit of fellowship among the students, faculty, and citizens of any community in which a chapter is located.

Nu Epsilon chapter brought to the campus Dr. Hardin Craig of the University of Missouri, a well-known author and authority on Shakespeare. This year Dr. Craig returned for another lecture. The chapter also acted as host for the spring conference of Missouri Association of Teachers of English on April 19.

The active membership is limited to the upper-classmen elected by the unanimous vote of the chapter on the basis of character, scholastic achievements, and demonstrated ability in creative writing. The Chapter's faculty sponsor is Dr. Nadine Overall.

Gamma Upsilon

National Honorary Student Publications Fraternity
 President Leonard Perryman, G. Jay Heim
 Secretary Nancy Wardlow
 Corresponding Secretary Sally Porter

Gamma Upsilon grew out of a desire to recognize those students who have made a significant contribution to the student publications of their college. It is honorary in nature, not professional, dealing with amateur effort of high grade in college.

The true strength of Gamma Upsilon lies in its triple innovation: it is co-educational, being open on equal terms to both men and women; it is co-publicational, electing students from any publication properly approved; and it is co-staff, being open to editorial members and business representatives alike.

It is, therefore, the purpose of Gamma Upsilon to recognize those members of the Delta staff and the Sabiduria staff who best exemplify the high principles of journalism and by such recognition cause others to conduct themselves in such manner as to warrant recognition.

Highlighting the activities of this year were the annual publications banquet, sponsored by Gamma Upsilon, and the national convention of the fraternity, held this fall at Missouri Valley College. The organization will publish the 1952-53 Student Directory.

Alpha Psi Omega

President Rose Morgan
 Secretary Lyle Thompson

Theta Sigma chapter of Alpha Psi Omega, national honorary dramatics fraternity, joined other such honorary groups on the Valley campus in 1950. Students who achieved the specified number of honor points, 50, are eligible for membership in Alpha Psi Omega, which points are made through actual participation in dramatics productions and other work in the dramatics and allied fields. The fraternity is not intended to take the place of a regular dramatics club or other producing groups, but membership is given in recognition for achievement in the dramatics field.

Valley Players

President Lyle Thompson, Rose Morgan
 Vice-President Gene Viera, Dale Vanselow
 Secretary-Treasurer Rose Morgan, Anna Rickels

An outstandingly successful 4-play season marked the year 1951-52 for the Valley Players, student dramatics organization on the Valley campus. The plays included a melodrama, "Ladies in Retirement," a classical tragedy, "Antigone," by Sophocles; a satire, "Androcles and the Lion," by George Bernard Shaw; and a modern comedy, "Born Yesterday."

In addition to presenting the four plays, which were acclaimed by campus and community alike, the Valley Players produced a 1-act play, "A Phoenix Too Frequent," for public presentation, gave cuttings of plays before civic groups, and gave a 1-act play, "The Happy Journey," in a college assembly program. In addition, the Players sponsored one of several Saturday night candlelight dances held in the Student Union.

Science Club

President Herbert Iles
 Vice-President Fritz Schupp
 Secretary Robert Moore

The purpose of the Science Club is to promote interest in science on the campus.

At the regular meetings, scientific subjects are discussed under the leadership of outside speakers, faculty members, and students. The topics of discussion are diversified so as to include all phases of science. Each year the Science Club sponsors a tour for its members through several industries and laboratories in nearby cities.

The Science Club is associated with the Missouri Academy of Science. This enables its members to participate in activities with science students of other colleges and universities in the state.

Much credit should be given to the faculty sponsors; Dr. R. T. Dufford, Dr. Lawrence Thomas, and Mr. Harold Affsprung; who have made this a successful year for the Science Club.

The Chi Chapter of Sigma Zeta National Honorary Science Society was installed June 1, 1951. The purpose of Sigma Zeta is to encourage and foster the attainment of a knowledge of the sciences and to recognize the attainment of high scholarship.

Membership in Sigma Zeta is open to juniors and seniors majoring in one of the physical sciences or mathematics who have completed twelve semester hours in their major and maintained a honor point average of at least 2.3 in the sciences and mathematics and an average of 2.0 in all subjects.

Meetings are held monthly with a program each time of some scientific topic. Sigma Zeta works with the Science Club in its projects and programs.

Sigma Zeta strives to strengthen the science division by the encouragement of better scholarship. All of the members of Sigma Zeta this year have worked on scientific papers in the fields of chemistry, biology, and physics. These papers are for presentation at the annual convention of the College Division of the Missouri Academy of Science this spring in St. Louis.

 Faculty Advisor Dr. L. C. Thomas

The Gamma Xi Chapter of Beta Beta Beta, a national honorary biological fraternity was installed on the Missouri Valley campus in 1929. The purpose of the fraternity is to emphasize stimulation of sound scholarship, dissemination of scientific knowledge, and promotion of biological research.

The present group was installed as members of Tri-Beta on February 2, 1952. The local chapter was host to the district meeting May 12. Chapters from states included in the district of Kansas, Iowa, Arkansas, and Missouri attended.

Membership is limited to those persons who expect to major or minor in the field of biology and who are making a "B" average in the field of biology.

Regular meetings are held twice every month. These meetings are designed to cultivate intellectual interest in the natural sciences and to promote better appreciation of the value of biological study.

"V" Club

President Allan Carroll
 Vice-President Neil Elmer
 Secretary-Treasurer Chuck Landis
 Sergeant-at-Arms Fred Schweigerdt
 Advisor Coach Volney Ashford

The "V" Club is the official athletic lettermen's association of Missouri Valley College, and holds the distinction of being one of the oldest organizations on the campus. Its membership this year is about 30. Athletes who letter in any of the five varsity sports, football, basketball, track, tennis, and golf, are eligible for membership in "V" Club after winning their first varsity letter.

The club sponsors two major events for high school athletes each year, those being a basketball tournament in early December and a track meet in the spring. The "V" Clubbers hold an annual barbecue each spring, and one of the highlights of the year is the annual "V" Club Day. On that day, which usually is about one week prior to June graduation activities, former members of the group visit the campus to fellowship with current varsity lettermen.

Pi Gamma Mu

President Robert Johnson
 Secretary-Treasurer Dr. J. H. Faurot

Students and faculty members of Missouri Valley who achieve honors in the social sciences or whose major interests lie in that wide field comprise the membership of Pi Gamma Mu, national honorary social science fraternity. The chapter on the Valley campus is one of the older campus organizations, being formed in the 1930's under the sponsorship of Dr. Belle Campbell Huff, who is an active present member.

During the course of the school year, Pi Gamma Mu held initiation ceremonies for five new members, and enjoyed a formal dinner at a Marshall cafe. Programs during the year were based around discussions in the area of social science.

Lambda Chapter, Pi Kappa Delta

Lambda is Valley's chapter of Pi Kappa Delta, the national forensic society. The purpose of this society is to stimulate progress in, and to promote the interests of, intercollegiate oratory, debate, public speaking and discussion by encouraging a spirit of interest and fellowship.

Interest in these activities has been growing steadily during the past two years. This interest has been encouraged by the active support and cooperation of the administration of the college.

Members of this society participate in speech tournaments with neighboring college, in state tournaments and in national forensic tournaments every second year. Four of our members participated in the recent state tournament in Central State Teachers College and we are making plans to attend the national tournament in 1953.

We who through our efforts have resuscitated our chapter after years of silence hope that many Vikings in the future will join Pi Kappa Delta, enjoy the many fine opportunities and enrich their lives with deep and abiding satisfactions.

Volney C. Ashford
Athletic Director, Head Football Coach

The 1951 football season was another prize feather in the perennially full-plumed cap of Volney C. Ashford, football coach and director of athletics at Missouri Valley College. The Vikings this year won 10 games and lost only 1 in an unusually long 11-game season.

The converting of an extremely young squad of gridgers, whose prospects for a successful season were at best doubtful at the first of the year, into a polished, hard-hitting grid machine was a tribute to the finished coaching ability and personal magnetism of mentor Ashford.

Coach Ashford, a graduate of Valley, has had an unusually fine coaching career both in high school and college competition. His football, basketball, and track feats in high school were continued in college, where he lettered as a quarterback under Henri Godfriaux for four years.

After serving as an assistant at Valley for one year, he accepted the head coaching job at Harrisonville, Mo., high school, where he fielded outstanding teams for five years. In 1937, he returned to Valley as director of athletics and coach of all sports, and, except for a tour of duty as an officer in the U. S. Navy in World War II, he has been tutoring athletes steadily year after year at his Alma Mater.

Since 1942 Ashford-coached teams have lost only four regularly scheduled games, and have the distinction of playing in five post-season bowl contests. They have piled up 57 wins, seven losses, and one tie during this period with 41 of the wins coming in consecutive order.

Coach Ashford has been a believer in physical conditioning, and his teams execute their plays with certainty and precision, while carrying the reputation of always being football gentlemen. A great many of the successful coaches in high schools in the state received their coaching fundamentals under Ashford while students at Missouri Valley.

J. Marvin Sprigg

Asst. Football Coach

John Marvin "Juicy" Sprigg, for four years a star halfback for the Missouri Valley Vikings, held down the position of assistant football coach during the 1951 season. Serving principally as a backfield coach, Sprigg also aided in toughening up the defensive line by ramming against them in numerous practice sessions. "Juicy" was all-MCAU halfback in the seasons of 1949 and 1950, and hopes in the near future to fulfill his life-time ambition of playing professional football. He is 22 years of age, and will graduate in June, 1952, from Valley.

1951 Varsity Football

The tradition of great football teams at Missouri Valley was carried on by the 1951 squad. Last season the Vikes piled up ten wins, while losing only one. The Vikings were not only the champions of the Missouri College Athletic Union, but also won the unofficial small college title of Missouri.

The Ashfordmen featured a strong defense that held its eleven opponents to a total of 1089 yards, 98 first downs, and only 50 points. A strong offense that got better as the season went along was another decisive factor in the success of this year's squad. The offense was spearheaded by big Gene Morrison, all-conference back and Honorable Mention on the Little All-American team. Morrison broke the school scoring record with 105 points. The offensive unit rolled up a total of 257 points or an average of almost 24 points per game.

MISSOURI VALLEY 34—HASTINGS COLLEGE 6

The Vikes opened their season with a crushing victory over the Bronchos of Hastings College of Hastings, Neb. As if giving a premonition of things to come, the Vikings blasted over for scores before they let the Hastings team know they were in the game. Hastings finally pushed over a score in the last quarter to bring the final score to Valley, 34; Hastings, 6.

MISSOURI VALLEY 0—KIRKSVILLE STATE 6

The second game of the season was the only one the Vikes would like to forget. Playing in the mud and rain, the Big Orange was able to get going after the Bulldogs slipped over a tally in the opening minutes of play.

MISSOURI VALLEY 26—OTTAWA UNIVERSITY 12

The following Friday night the Vikes were back home, playing host to a strong aggregation of Braves from Ottawa University. The Braves wasted no time in showing the Ashfordmen they would have a tough time in that particular evening. They led at half-time by a score of 1-0. After losing the first half, the Valley grid warriors roared back in the last two quarters to swamp the Braves with four touchdowns and win the game, 26-12.

MISSOURI VALLEY 7
CENTRAL COLLEGE, PELLA, IA., 0

Next on the schedule was another new opponent, the Central College Dutchmen of Pella, Ia. The lowans had a strong team and for three quarters held the Vikes scoreless. In the fourth period, however, the Valley men were not to be denied and engineered an 87-yard touchdown march to win the game, 7-0.

MISSOURI VALLEY 29—CENTRAL COLLEGE, MO. 0

Valley's fifth game of the current campaign was against our traditional foe the Eagles of Central College over at Fayette. They proved to be one of the easiest teams Valley played all season and the Big Orange had no trouble winning 29-0.

MISSOURI VALLEY 27—WARRENSBURG STATE 0

Valley furnished the opposition on the following weekend for the Homecoming festivities at Warrensburg. The Mules were unable to stop the powerful onslaught hurled at them by the Vikes. Valley marched for two scores in the first half and came back for two more in the last half while holding the Mules scoreless. The final score was Valley 27, Warrensburg 0.

MISSOURI VALLEY 34—CULVER-STOCKTON 0

The Homecoming celebration was highlighted by the crushing triumph the unstoppable Vikes turned in over the Wildcats of Culver-Stockton Valley was in complete charge of the game and ran up 34 points in the first half. In the last two quarters the Big Orange coasted and the game ended with the score still 34-0 for the Vikes fourth consecutive shutout.

MISSOURI VALLEY 58—TARKIO 6

The Tarkio game was a rout from start to finish with the Valleymen running up 58 points before Tarkio scored what many considered a consolation T. D. The final count was: Valley 58, Tarkio 6.

WEIN-O SNAGS ONE

MISSOURI VALLEY 14... TARKIO 6
With the championship of the conference hanging on the outcome, Valley played host to the Cardinals of William Jewell. Both teams had similar records going into the game and both teams were "up" for the contest. Valley drew first blood in the first quarter on a sixteen yard pass play. Jewell countered in the second period, but failed to make the point after touchdown and Valley led at the half, 7-6. The Vikes came right back in the third quarter to push another tally over and then tightened up their defense and stopped the scoring for the rest of the evening.

MISSOURI VALLEY 14... SPRINGFIELD STATE 0

On the following Saturday afternoon the Vikings traveled to Springfield, Missouri, to meet the champs of the M.I.A.A., the Bears of Springfield State Teachers College. Valley was hard pressed all the way and had to come from behind to win. They scored in the second and third periods after the Bears had pushed across their lone tally in the opening quarter. Valley not only won the game, but also the small college championship of the state of Missouri.

MISSOURI VALLEY 14—CALIFORNIA POLYTECH 7

On Thanksgiving day the Vikes closed their season against a strong California Polytechnic team. It was the first glimpse the Vikes had of a Pacific Coast team and they liked what they saw. It was a hard fought battle all of the way but the Viking powerhouse came through with another 14-7 win.

Warren E. Harris
Head Basketball Coach

A Viking football and basketball star of pre-war years returned to Missouri Valley campus in January, 1952, to guide the destinies of the cage team throughout the remainder of a hectic season. Warren Harris, who was graduated from Valley in 1943, lettered four years each in football, basketball, and track during his collegiate career.

After leaving Valley, he spent 3½ years in the Navy, coached the Vikings to an MCAU basketball championship in 1948-49, and mentored the high school team of Edwardsville, Ill., through three successful seasons. He took over the coaching of the basketball team from Volney Ashford in January.

Viking fans and followers look forward to highly successful basketball seasons in the next few years under the expert tutelage of Coach Harris.

1951 Varsity Basketball

A game, but heightless Missouri Valley Viking basketball team that gave the home fans many a thrill finished out the season this year with a mediocre record of six wins and 17 losses. In the Missouri College Athletic Union, the Vikings finished in a tie with Tarkio for fifth and sixth place.

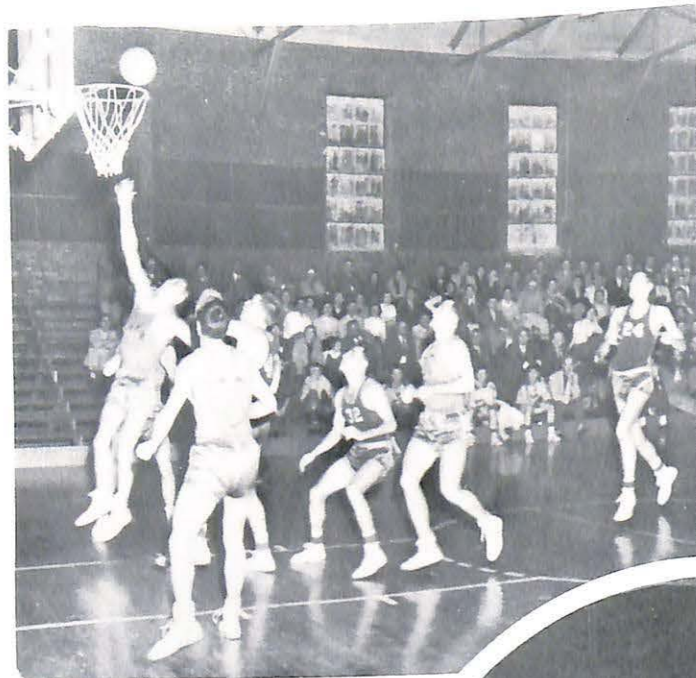

The conference win and loss for the Vikings this year was four victories and eight defeats. Several of the losses this season were by less than five points, and two of them were by margins of only one point.

The Vikings scored a total of 1,360 points in their 23 games for an average score of 59.1 markers per game, while their opponents counted 1,518 for an average of 66 points per game. Louis Snuffer, freshman star from Washington, D. C., who entered Valley at the start of the second semester, led the team in individual scoring with 11.9 points per game. His 20 points against Central College in their second game with Valley were high for an individual game score.

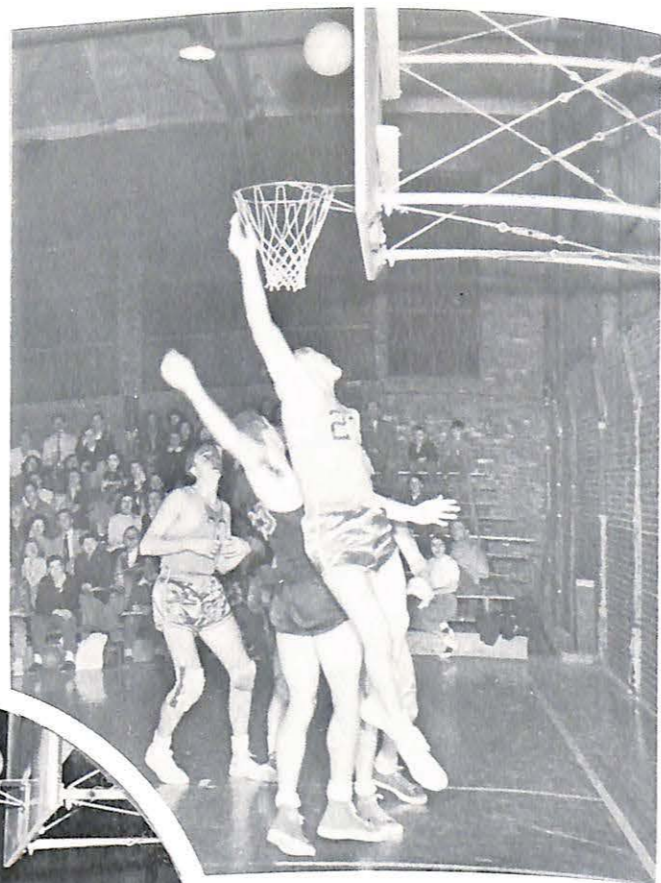

Probably the biggest thrills of the season were the Vikings first conference win 61 to 57 over Westminster and the 65 to 60 trouncing of second-place Culver-Stockton. Through December, the team worked under Volney Ashford, but with the start of January, Warren Harris was on hand to guide the fortunes of the team.

1952 Varsity Track

An experienced and fast Valley track team went after their seventh consecutive MCAU championship this year. Returning from last year's squad were a number of men who took the conference crown in their respective events. Some of them were: Allan "Buckshot" Carroll, Forrest Arnall, Ollie Rose, Bill Austin, and Dick Shea. Sorely missed from the team was powerful sophomore Howard Lee, champion his freshman year in both the 440 and the 880-yard runs. Howard was forced to leave school early in the spring by the illness of his father.

Valley met the following teams during the 1952 season: Ottawa, Drury, Springfield State, Warrensburg State, William Jewell, Central, Culver-Stockton, and Westminster.

A team composed largely of returning lettermen represented Valley on the golf links this year. The team was in quest of their second consecutive conference crown after going unbeaten in conference play in 1951. Coached again by Valley's professor of biology, Mr. Bruce Stewart, the same team that won the MCAU crown was back this year. They were: Larry Larson, Jack Fee, and Dean Nelson. The golf meets were usually played in conjunction with the track meets.

1952 Varsity Tennis

Two experienced regulars and a host of newcomers carried Valley's banner into competition on the tennis courts this year. Parks Olman and Dick Saathoff returned from last year's squad to give experience to the ranks, and provide a nucleus around which to build a team. A new coach of the netmen this year was E. E. Engle of the business department. Coach Engle was a star tennis player in his college days at Drury, and his first team at Valley turned in a good account of themselves in every meet in which they participated.

Women's Athletic Association

This year the women of W.A.A. have taken an active part in the rebuilding of the organization and the women's sports program. One of their major accomplishments was the revision of the point system whereby the girls are eligible to receive awards.

W.A.A.'s chief activity has been the intramural sports program. Shirley Hartley, intramural director, and Miss Martha Spath, advisor to the group, have been responsible for the success of this, by their skillful scheduling and running off of games in field hockey, basketball, volleyball, badminton, bridge and canasta. An Intramural trophy is given to the team accumulating the most points over the entire year.

Among their other activities, W.A.A. sponsored a slumber party in the Girl's Dormitory put on an assembly program and sponsored a square-dance practice. For the first time this year, W.A.A. invited girls from nearby colleges to send representatives to a sports day here at Valley.

Officers for the group for the past year have been:

The women's athletic program, intramural and gymnastic, was under the expert guidance in 1951-52 of Miss Martha Spath, who joined the Valley physical education staff in September. Miss Spath came to Valley from Columbia, where she taught for 12 years at Missouri University. One of the highlights of the women's athletic program during the year was an invitational volleyball tournament in late March.

A sextet of lusty-voiced Vikings led the Valley rooters in their efforts to spur on Viking athletic teams during the year. The six included: Alice Gilham, sophomore from Oklahoma City, head cheerleader; Delores Simmons, freshman from Edwardsville, Ill.; Shirley Faler, junior from Kansas City, Kans.; Marian Schulze, sophomore from St. Louis; Chuck Hedges, junior from Kansas City, Mo.; and Bill Ault, junior from Corpus Christi, Tex.

The pride of the cheerleaders during the year, aside from the oftentimes enthusiastic response they evoked from the Valley rooting section, was the attractive new uniforms. The girls' uniforms featured white sweaters with purple megaphone and an orange "V" across the front and full white skirts with a brilliant royal purple on the reverse side.

The cheerleaders worked diligently through the football season and the long basketball season, and many fans said the enthusiasm of Viking rooters this year surpassed that of recent seasons by a considerable degree.
