# PEOPLE

the people at missouri valley college are unique. we are one of a kind. we bring the various traits of our hometowns from across the country. valley is so small that everyone knows everybody. this some times seems to be an inconvenience, but we wouldn't have it for any other way. even though we often seem to party a little hard, we strive to get the best education possible.

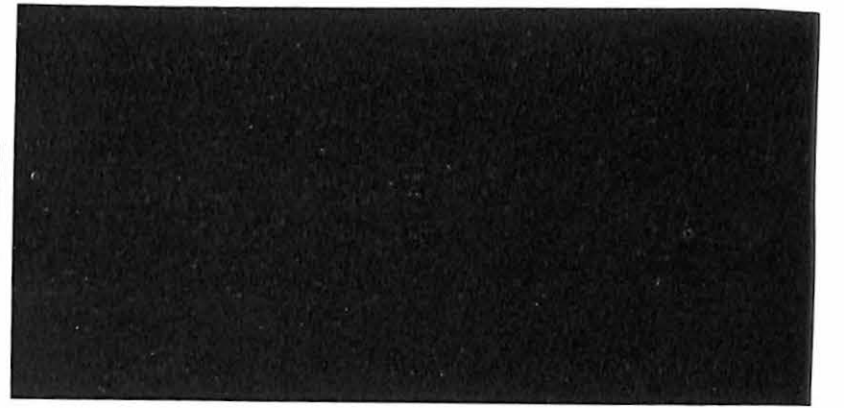

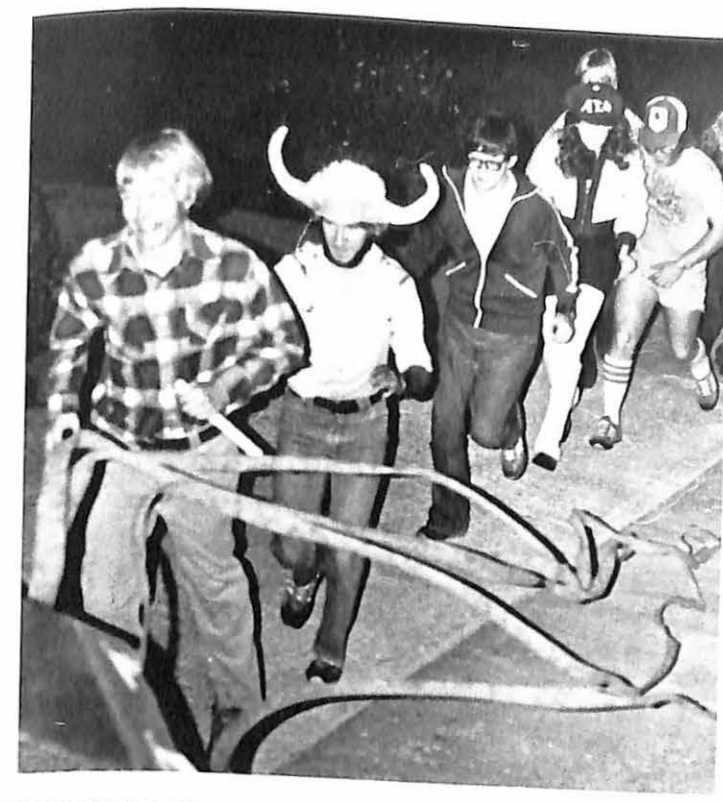

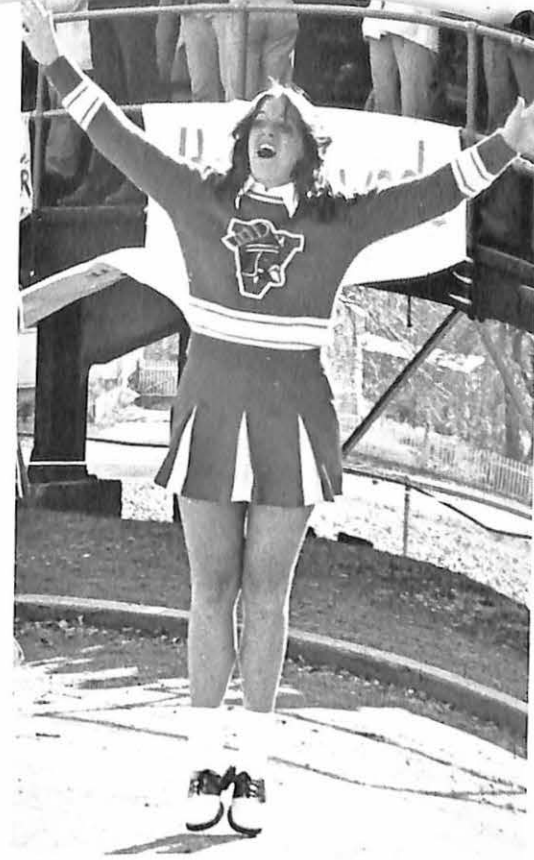

# ACADEMICS AND ADMINISTRATION

the various fields of study are shared at missouri valley college. a great many of us are getting a better quality education even though we don't believe it. our faculty and administration are trying their best and in turn we must also. missouri valley college has gone through many changes during the 78-79 school year, so we as students must not let it get to us but look ahead.

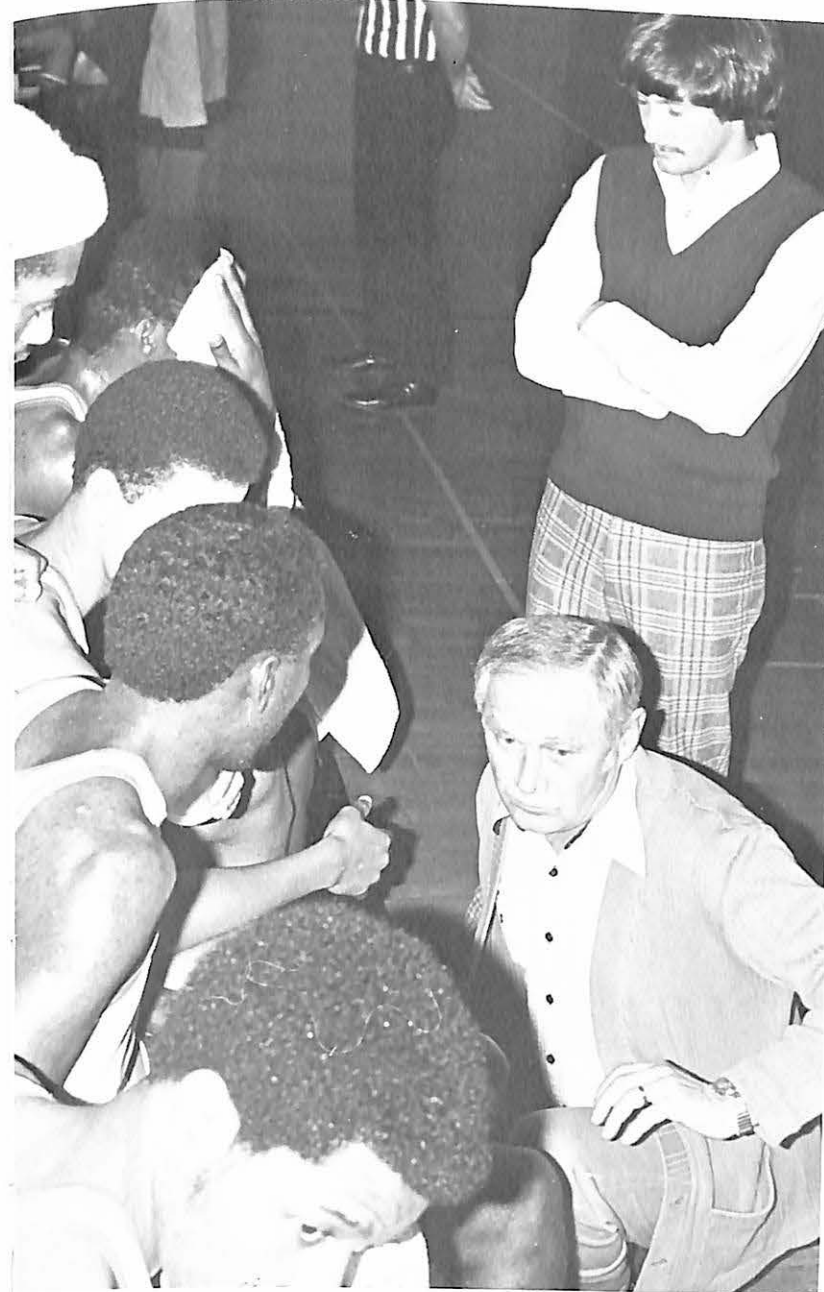

# ACTIVITIES

the many different activities that are a part of our daily life, often seem somewhat strange. no matter how strange they seem, the activities are always fun. no one will make your fun for you, you must reach out and participate. parties often break the monotony and spring finds the students migrating to indian foothills park. the one thing to always keep in mind is valley is what you make it.

# SPORTS

the sports world at missouri valley is one of interest this year. our football team went to the NAIA finals, the basketball teams are doing well, women's volleyball had a fine season, and the intramural competition is rewarding and exciting. as the coming of the spring sports approaches, the best of luck goes to them. thank you missouri valley for your cooperation in the sports on the mvc campus.

# Homecoming 1978

The Homecoming festivities began on Thursday, October 12, with the Coronation banquet. Saini Tuitele was crowned queen and Dr. George F. Brock received the Homecoming dedication. Following the banquet was the annual dance. Music was provided by the band "Griffin."

This year the torch was run from the Missouri State Capitol steps in Jefferson City. Dedication of the torch run went to Special Olympics.

Saturday the annual Tent Bar B-Q and parade brought much excitement to the Missouri Valley Campus as alumni and old friends returned to celebrate our 42-8 victory over the Central Methodist Eagles.

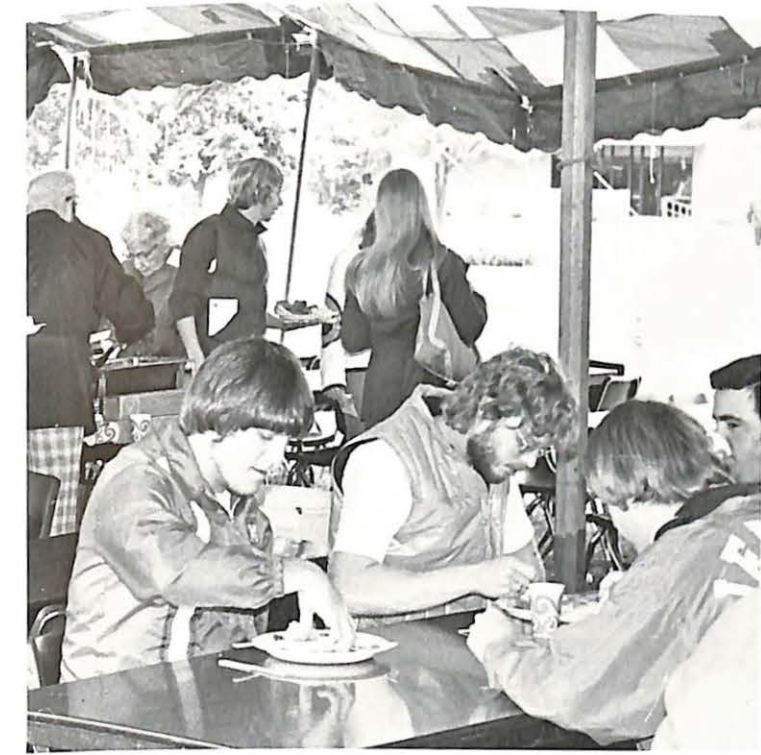

1977 Homecoming Queen, Paula Syndor, retires her crown to the new reigning Queen Saini Tuitele.

Pictured below, from the left: Homecoming queen attendants Kim Wise and Brenda Ledgerwood — and 1978 Homecoming Queen Saini Tuitele. Queen Saini is a junior at Missouri Valley, majoring in psychology and sociology. Saini is from Pago Pago, Samoa, and is a member of the Gamma Sigma Sigma service sorority. Kim Wise is a junior elementary education major from Carrollton, Missouri. She is a member of the Women's Volleyball team and is currently serving as vice president of Alpha Sigma Alpha social sorority. Brenda Ledgerwood, junior from Alton, Missouri, is an elementary education major and president of Alpha Sigma Alpha social sorority.
