*DR. M. EARLE COLLINS*

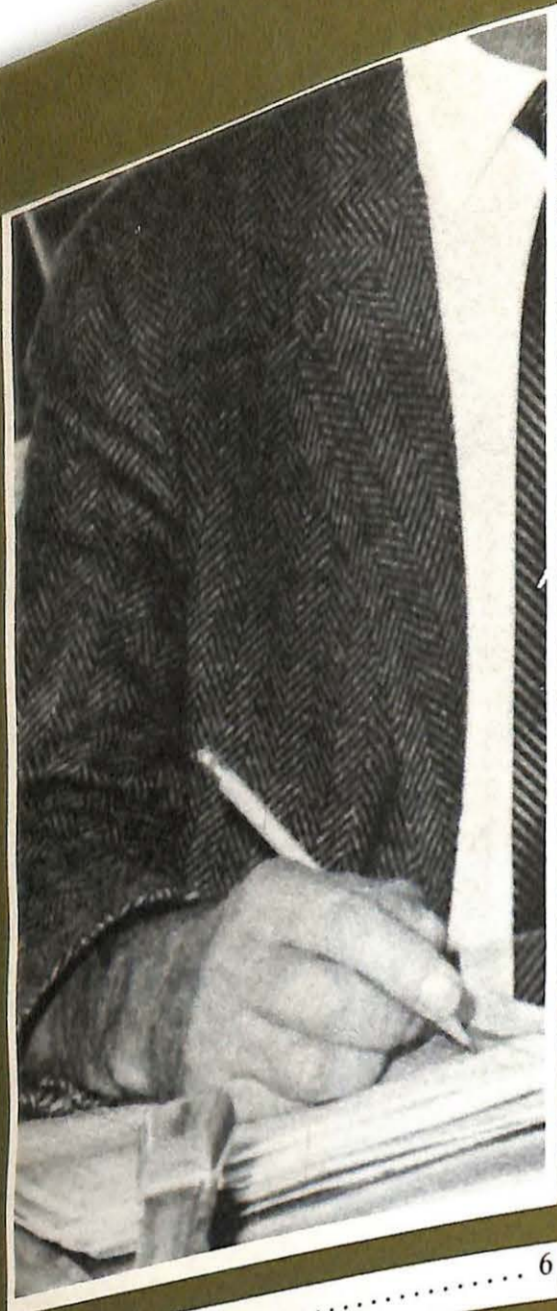

Throughout the history of mankind the hands of man have been instruments of his expression. When the bone and marrow of their substance have returned to the clay from which they came, their work has remained and served as ambassador from his soul to posterity.

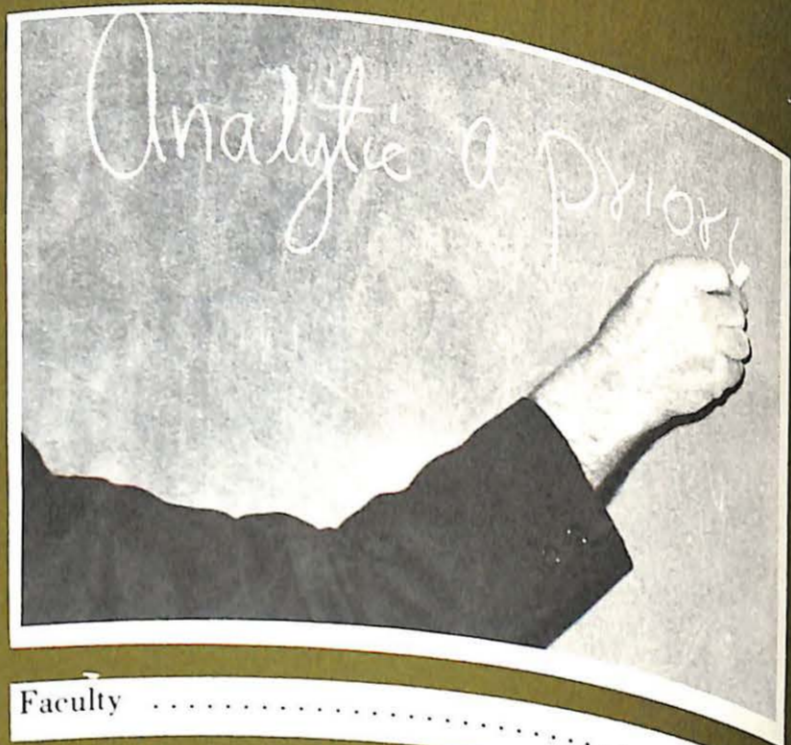

This book is dedicated to a man whose hands have fashioned a college and whose work will not only mirror his soul but serve to guide the efforts of those who follow him.

It is with deep regard for his accomplishments that the students of Missouri Valley College dedicate this yearbook to Dr. M. Earle Collins.

*“Spring Comes Moving Across The Land”*

It never has failed, and it never will.  
The wind swings 'round and the violets come;  
There's a touch of green on a bare gray hill,  
And the robin is building himself a home.

Year after year, year after year—  
That is the way that God has planned—  
We feel a loveliness somewhere near,  
And Spring comes moving across the land.

Boughs grow heavy with leaf and bud,  
The sky is a sea with drifting sails;  
And Spring comes back, as we knew she would,  
That is God's plan, and it never fails!

Placing Bob Sonnabend in Who's Who, Men in various class offices and honorary fraternities, winning 1st place for Homecoming House decoration, retiring the Ugly Man Trophy, and doing well in Greek Week activities, were all outstanding achievements of the men of Alpha Sigma Phi.

1967-68 was a busy year for the Teke's. At homecoming the Teke's took first place in the float competition. Having the highest house grade point of the fraternities on campus, they won the IFC Scholarship Trophy for the fall semester.

Teke's provided members for all the varsity sports, and in intramural basketball took first on campus.

Social life during the year was big, it included an action week-end in March containing an informal party, alumni and Order of Diana meetings, and the Red Carnation Ball which was held at Tan-Tar-A Resort, on Lake of the Ozarks. The social year was ended when the TKE house was moved to the South Pacific, and the annual South Sea Island Party took place.

### *Valley Offense, Defense And Spirit Bring Success*

With Bill Flynn substituting capably for an injury-riddled backfield, Missouri Valley upset highly favored Washington University of St. Louis, 14-7. The large Homecoming crowd proved to be the major obstacle for the Vikings during the game. Flynn, playing offense for the first time, accounted for both Valley tallies. The defensive team thwarted the Billikins until the final minutes for an exciting victory. In their only previous meeting, Valley also upset Washington University at their Homecoming celebration.

Senior Co-Captains Bob Thomas and Jim Tobin provided excellent team leadership.

One of Coach Volney Ashford's fine battery combinations of the spring was that of Wayne Hawthorne and Roger Schumacher, shown above against Central Missouri State.

The Missouri Valley Baseball team traveled south to Alabama during March to play Troy State, Huntingdon, and Samford University. While enjoying sunshine and great southern hospitality, the Viking squad came home victorious, ready for MCAU conference action.

Valley fans and teammates watch intently at one of the crucial conference games.

Dr. Volney Ashford, Director of Athletics and Head Baseball mentor, combined fine pitching and hitting, great depth, new talent and enthusiasm to field an exciting baseball team for Missouri Valley.

## SOUTH TO ALABAMA!

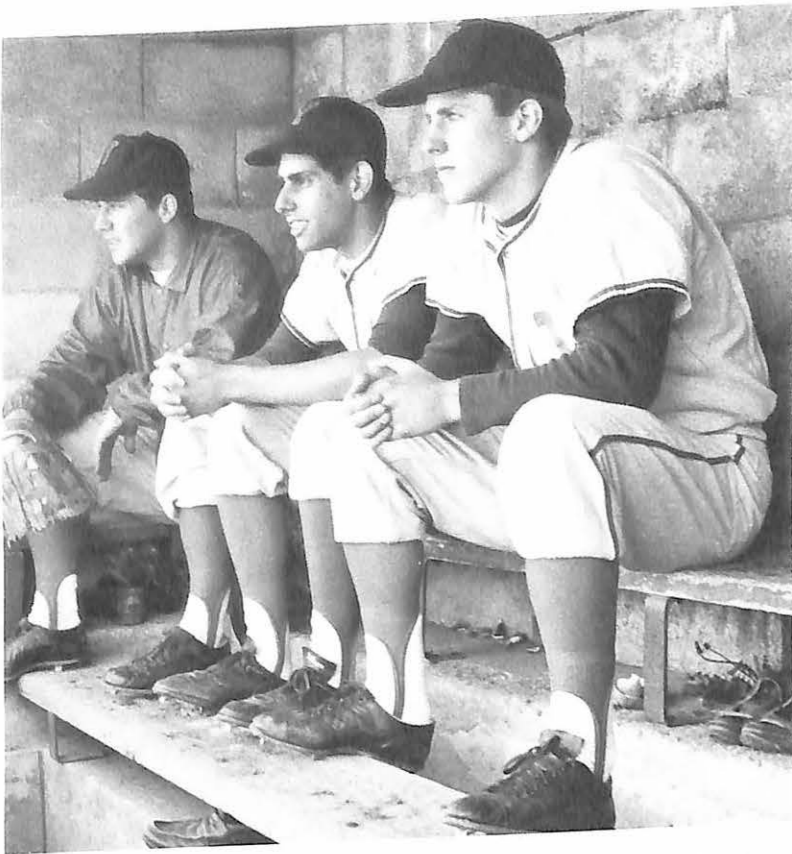

John Higgins, Viking second baseman, is half of a fine Valley double play combination.

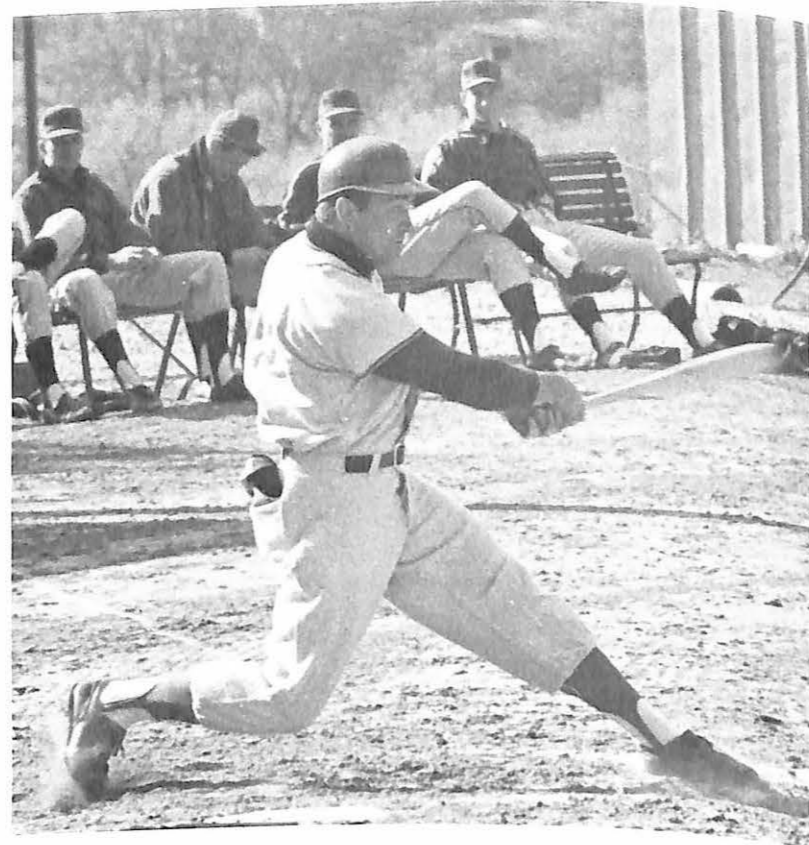

Senior Pitcher, Bob Poole, was one of the aces of Valley's fine pitching corps.

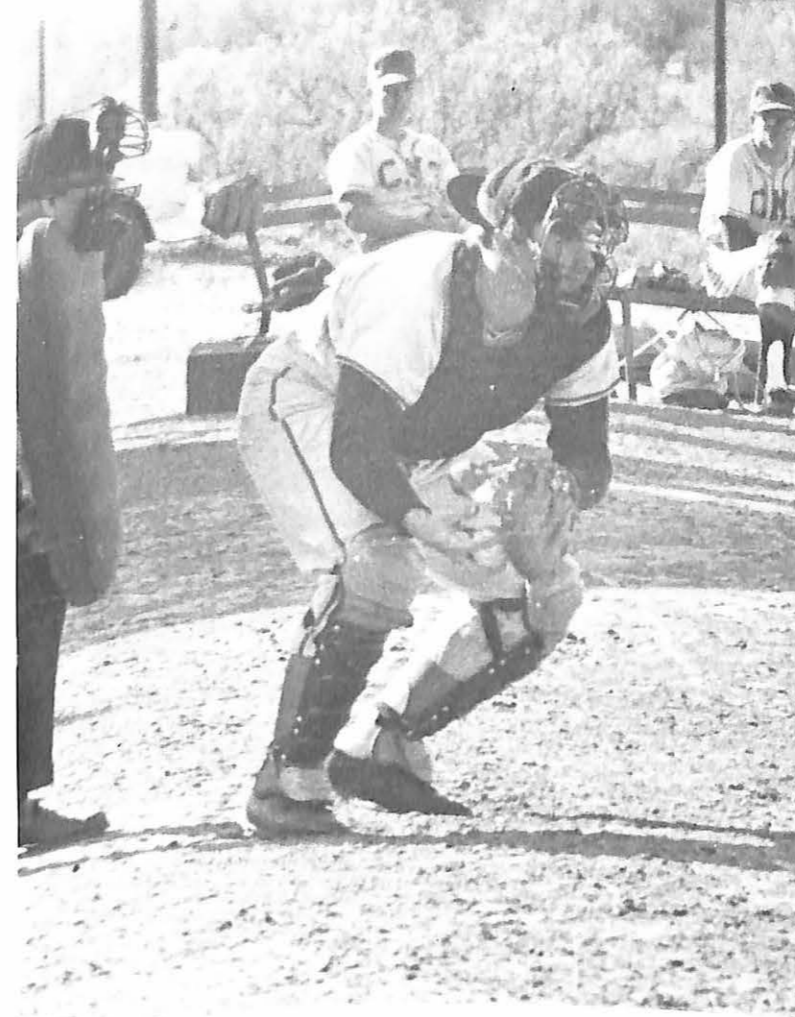

Armando Delgado, a freshman from Panama, provided a hot glove for the other half of the double-play combination.

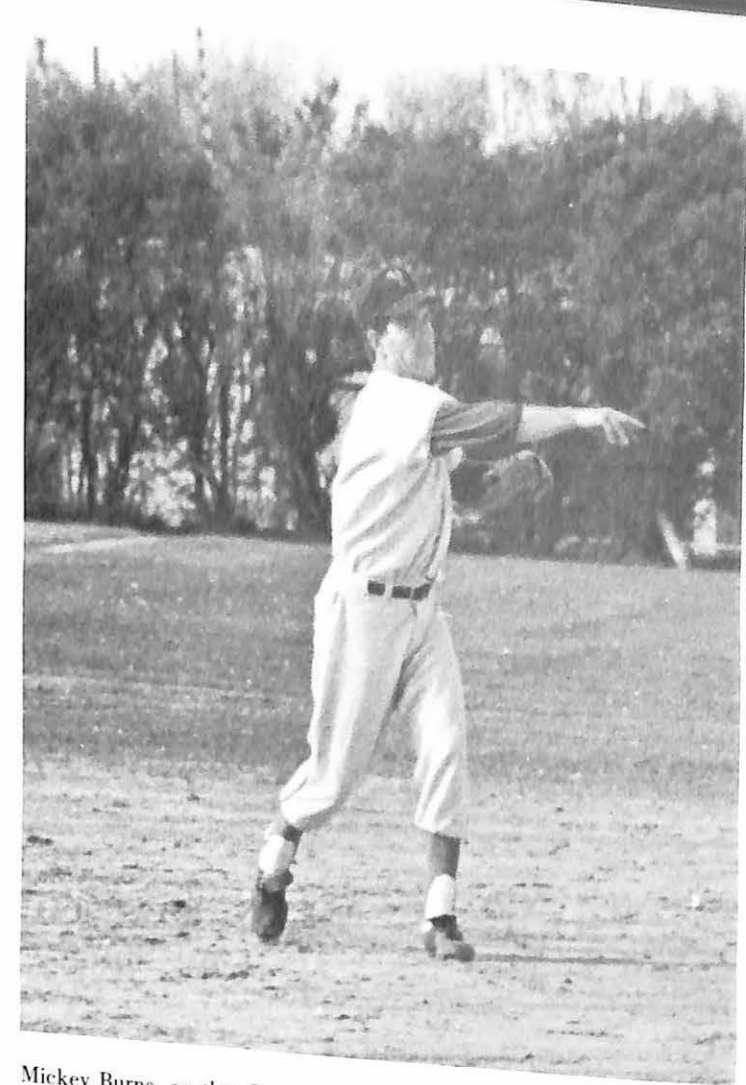

John Sullivan, known to most as "Sully," provided one of the big bats for the diamond crew. Clutch hitting from everyone saved several games during the season.

Great depth in almost all positions saved Coach Ashford many headaches when key injuries occurred. Enthusiasm from the bench and the crowd were rewarded through fine effort.

Senior Captain, Wayne Hawthorne produced a lot of chatter behind the plate for opposing batters.

Mickey Burns, another East coast product throws from his hot spot at third base.

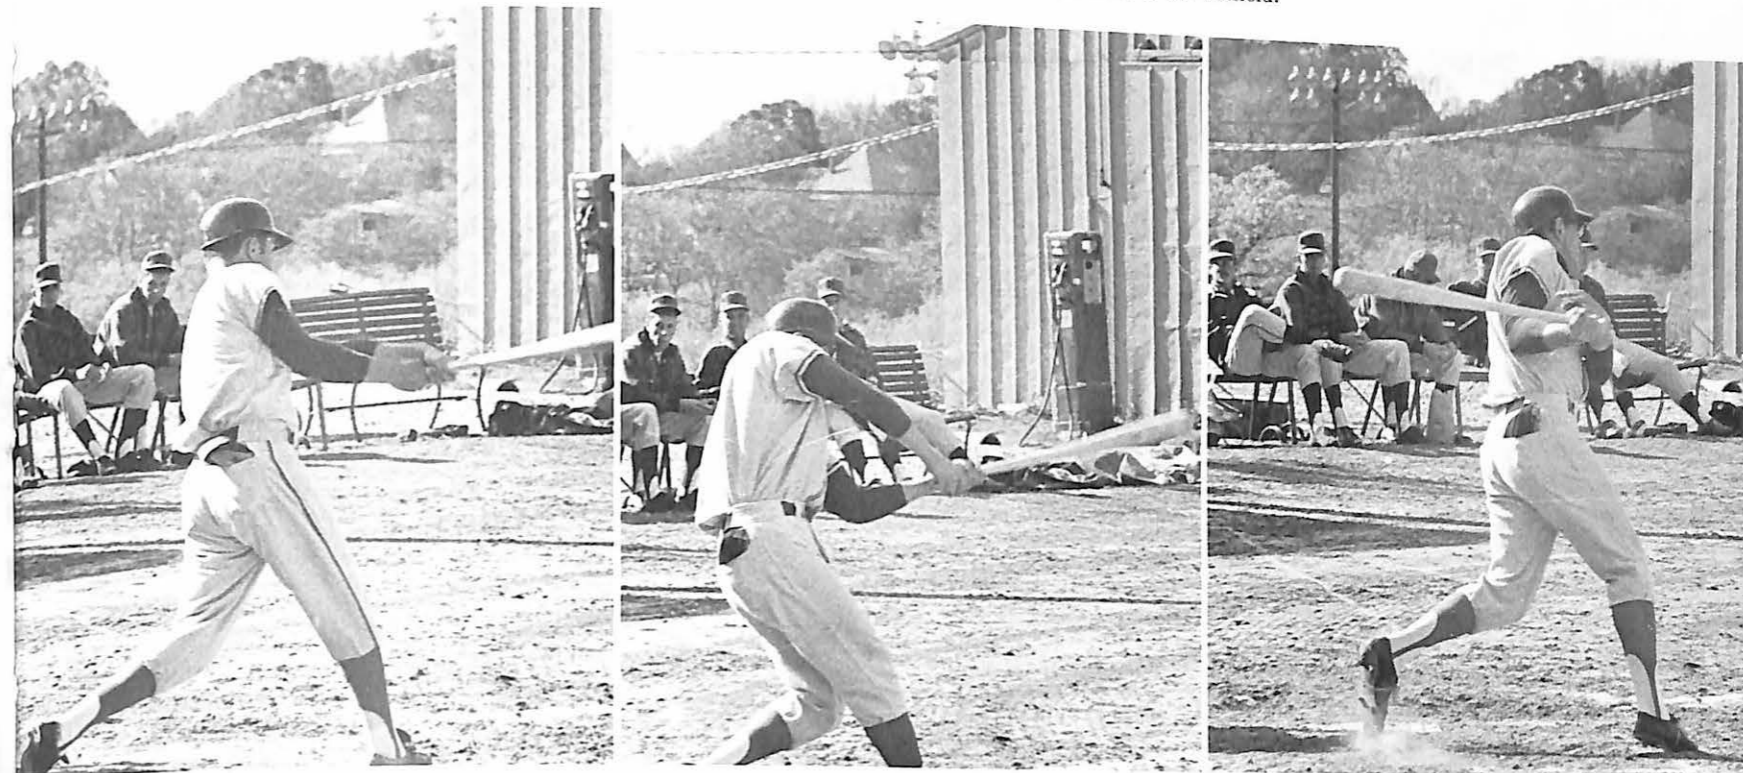

Freshman, Jim Fuhri, an east coast product, was one of the bright prospects on the fine Valley pitching staff.

# IT'S IN YOUR HANDS NOW

Dear Student,

You are now holding in your hands the results of many long hours of work by quite a number of people. A lot is involved in putting into print a year of your life. We didn't edit the yearbook because of duty or financial remuneration, or fun, we felt a sense of responsibility to you, the student body, and we hope you are appreciative of our efforts.

Neither one of us will ever forget our experiences with the 1967-68 SABIDURIA, it has been quite an experience. There were numerous rough moments, and many good times. We're still trying to decide if it was worth it. That is up to you.

We appreciate very much the hard work of all of the staff members, particularly Bill Lawrence, Russ Hauser, Alyce Sibel, and Don Balka for the many hours they spent on their sections. Jim Huston and Mike Cerjeski are to be thanked for the cover design, and the MVC photographers, Don Thompson and Lowell Knauss for the photographic work, along with many others.

To Mr. Vee Bearden of Lee's Photographs goes a special vote of gratitude for the Greek portraits, color shots, and the Queen pictures.

Without the valuable assistance of Wayne Ackerman and the cooperation of Inter-Collegiate Press, Inc. it would have been impossible to produce this yearbook.

But, above all, we wish to thank you, the student body of Missouri Valley College for your help and cooperation throughout the last 12 months.

We hope we have given you a pictorial memory of this school year, which you will refer to and recall often. This publication is representative of the past, the present is now, and the future is . . .
