## Editor's Notes

Dear Missouri Valley:

**Well, this is it—the finale. Only the apologies and thank you's remain, so let's get on with it.**

To Patsy Brock, Maryfran Houston, and Marlene Julian, a big THANK YOU! OK, let's go down memory lane. Remember . . . Joe Harris, David Coutts, Mary Kremer, Crystal Parnell, John McCuen, Hank Schmidt, Randy Rshenfarb, Russ Broughton, Brian Bauman, Jim Peuster, Don Young, Regina Capuano, Delta Zeta's, Bobby Horak, Maureen Channel, Mark Miranda, Margaret Erbe, Don Lakovits, Joe Truschinger, Janet Fischer, Diane Roach, Kathy Morrow, Dr. Sandra Newton, Chuck Bloczynski, Chris Rawley (hello Chris, remember the yearbook office?), Sarah Harris, Trush Meuler, John Schroeder, Jim Delaney, Tim bannister, Larry Campbell, Brian Wexler, Bill Beekley, Bob Laird, Doak Noelker, Jan Cameli and Todd, Radio. These are just a few people whose faces have shone on the campus of Missouri Valley College.

When I came to Valley in the fall of 1977, the motto was then "Experience an Education." They meant it too. Valley is a really good college, in some areas, but those who remain, somehow they make it. We party a lot, oh we party, but there is some of us who find time to study.

We had a good time here. There have been many, many people come and go here. But every year there's something new. Whatever happened to Dean (Wormer) Young, and Jim Braboy?

Thank you Virgil Brown, Roy Inman, Jeani G. Wilson, Pam seibert, Russ Collins, Lissa Brown and whoever else I forgot.

Cordially yours,
