In Memoriam

Remington Schuyler

Professor Schuyler was born in 1884, the son of Mr. and Mrs. Montgomery Schuyler. His father was principal of the McKinley High School in St. Louis and for many years a dramatic and operatic critic for the St. Louis Post Dispatch. Professor Schuyler attended the engineering and art schools of Washington University, St. Louis, the Art Student League in New York City and Howard Pyle's School, Wilmington, Delaware.

He was given scholarships to the Academic Julian and Collorossis in Paris, France and the National Academy in Rome, Italy.

During World War I he was a First Camoufleur in the Navy.

Professor Schuyler was a member of the faculty of the George Mitchell School in Westport, Connecticut and for thirty years was connected with the Boy Scouts of America, first serving as scoutmaster and later as vice-president of a council. He was the author of fiction and non-fiction for many magazines and drew illustrations for the Boy Scout Handbook and covers for Saturday Evening Post, Good Housekeeping, Cosmopolitan and other magazines.

The students and faculty of Missouri Valley will always remember "Rem"--a true Viking--a true friend.

Outstanding Seniors

Awarded for achievement as the outstanding contributor to Missouri Valley College among the senior women is Marilee Jones, an Education major from Bevier, Missouri. Since Marilee interprets college as a full-time responsibility, she has found it meaningful and interesting, and, as a result, has become more efficient and productive in the activities in which she has participated. Marilee has become an active worker in campus responsibility while attending Missouri Valley. Several activities which show Marilee's interest in campus organizations include the Vesper Choir, S. C. A., Delta Zeta Sorority, W. A. A., and W. S. G. A. A recent honor was bestowed to Marilee as she was selected to appear in "Who's Who in American Colleges and Universities."

A persistent and sincere determination, motivated by a deep sense of responsibility and service to the college best exemplifies the "spirit" of Karl Schowengerdt, a Humanics major from Topeka, Kansas.

Karl has left an imprint of his personality on many campus organizations as a valued and effective contributor in advancing the purposes of the group. He is presently serving as vice-president of the student body and is also president of the American Humanics Student Association. He is a member of S. C. A. and a former officer of that group. Recently Karl was selected to appear in "Who's Who in American Colleges and Universities" as a result of his outstanding contribution to Missouri Valley College.

Student Senate

OFFICERS

President.....Walter D. Tearse
 Vice-President.....Karl Schowengerdt
 Secretary, Fall.....Jeanne Tearse
 Secretary, Spring.....Elvera Robker
 Treasurer.....Sylvia Snuffer

Student Government on the Valley campus has endeavored to promote, through elected representatives, an efficient, co-ordinated group for all student activities, and a medium for student expression.

The Senate has supervised all student elections in an efficient manner and has encouraged more participation on the part of the students. The Senate this year has been given the privilege and responsibility of assisting to meet the problem of student discipline on campus.

The interest of the Senators in their work was evident from the fact that at virtually every meeting, a majority of the Senate was present to transact business and to bring before the group the suggestions of the groups of students they represented.

The Student Senate meets on Saturday mornings and forms the highest student organization on the campus. In retrospect, "a job well done" is the commendation to the Senators. They act as the directing force for student activity and have served as the most important link between the administration and the student body.

Student Social Life Committee

The Student Social Life Committee has as its function the planning of all all-school social activities. It is under the jurisdiction of the Student Senate and is one of the permanent standing committees of the Senate.

Each active organization on campus is entitled to one representative. The organizations on S. S. L. C. are Alpha Xi Delta, Alpha Sigma Phi, Alpha Phi Omega, Delta Zeta, Sigma Nu, Tau Kappa Epsilon, Student Christian Association, Newman Club, V-Club, Valley Players, Women's Student Government Association, and Women's Athletic Association.

Mrs. Elizabeth Sargent serves as the sponsor and this year Marianne Hubeli served as the chairman of the committee.

Who's Who

The students recognized in "Who's Who" each year are nominated from approximately 650 colleges and universities. Campus nominating committees are instructed to consider, in making their selections, the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

Who's Who awards each member a certificate of recognition, presented on the campus either at graduation or earlier in the year. Also, it provides a placement or reference service to assist seniors and graduates seeking employment.

SEATED: Beverly Altis, Jan Jackson, Nancy Bradshaw, Marianne Hubeli, Barbara Grady, Dorice Willoughby. STANDING: June Hales, Pat Sherman, Valerie Becker, Lynn Churchill.

Women's Student Government Association

The purpose of the Women's Student Government Association is to give the women an opportunity to assume the responsibilities and to enjoy the privileges of self-government on campus.

The officers for this year are:

- | | |
|------------------------------------|-----------------------------|
| President.....Nancy Bradshaw | Secretary.....Jan Jackson |
| Vice-President.....Marianne Hubeli | Treasurer.....Barbara Grady |

The activities, under the guidance of the W. S. G. A. Council, have included a Halloween Party, winning second place in the Homecoming House Decorations, the annual Christmas Party and the Skirt Hop.

The Skirt Hop, held on February eleventh, was a big event on the campus calendar in that the King of Hearts and four Heartbeats were presented at the intermission. The decorations were based on the Valentine's Day theme and were supplemented by the many original handmade corsages. Music was provided by the Erle Parsons Combo.

Sponsoring the W. S. G. A. is Mrs. J. W. McClure whose example has made self-government a worthwhile experience.

The Standards Committee of W. S. G. A., consisting of the President and Vice-President of the Council and three other senior members, establishes and maintains certain standards for the Residence Hall, counsels and assumes responsibility for disciplinary problems.

The W. S. G. A. has established a supervised study table, for all Freshmen women, which has been under the guidance of Betty Sue Pember this year.

Inter-Fraternity Council

The Inter-Fraternity Council is composed of the president and one representative from each of the three fraternities on campus. The Council handles all matters pertaining to initiation, scholarship, social affairs, and law enforcement in the fraternities.

The Council sponsored the Christmas Dance this year and it was a big success. As to the future, we can say nothing. As long as is practical the Council and its member fraternities will continue to operate.

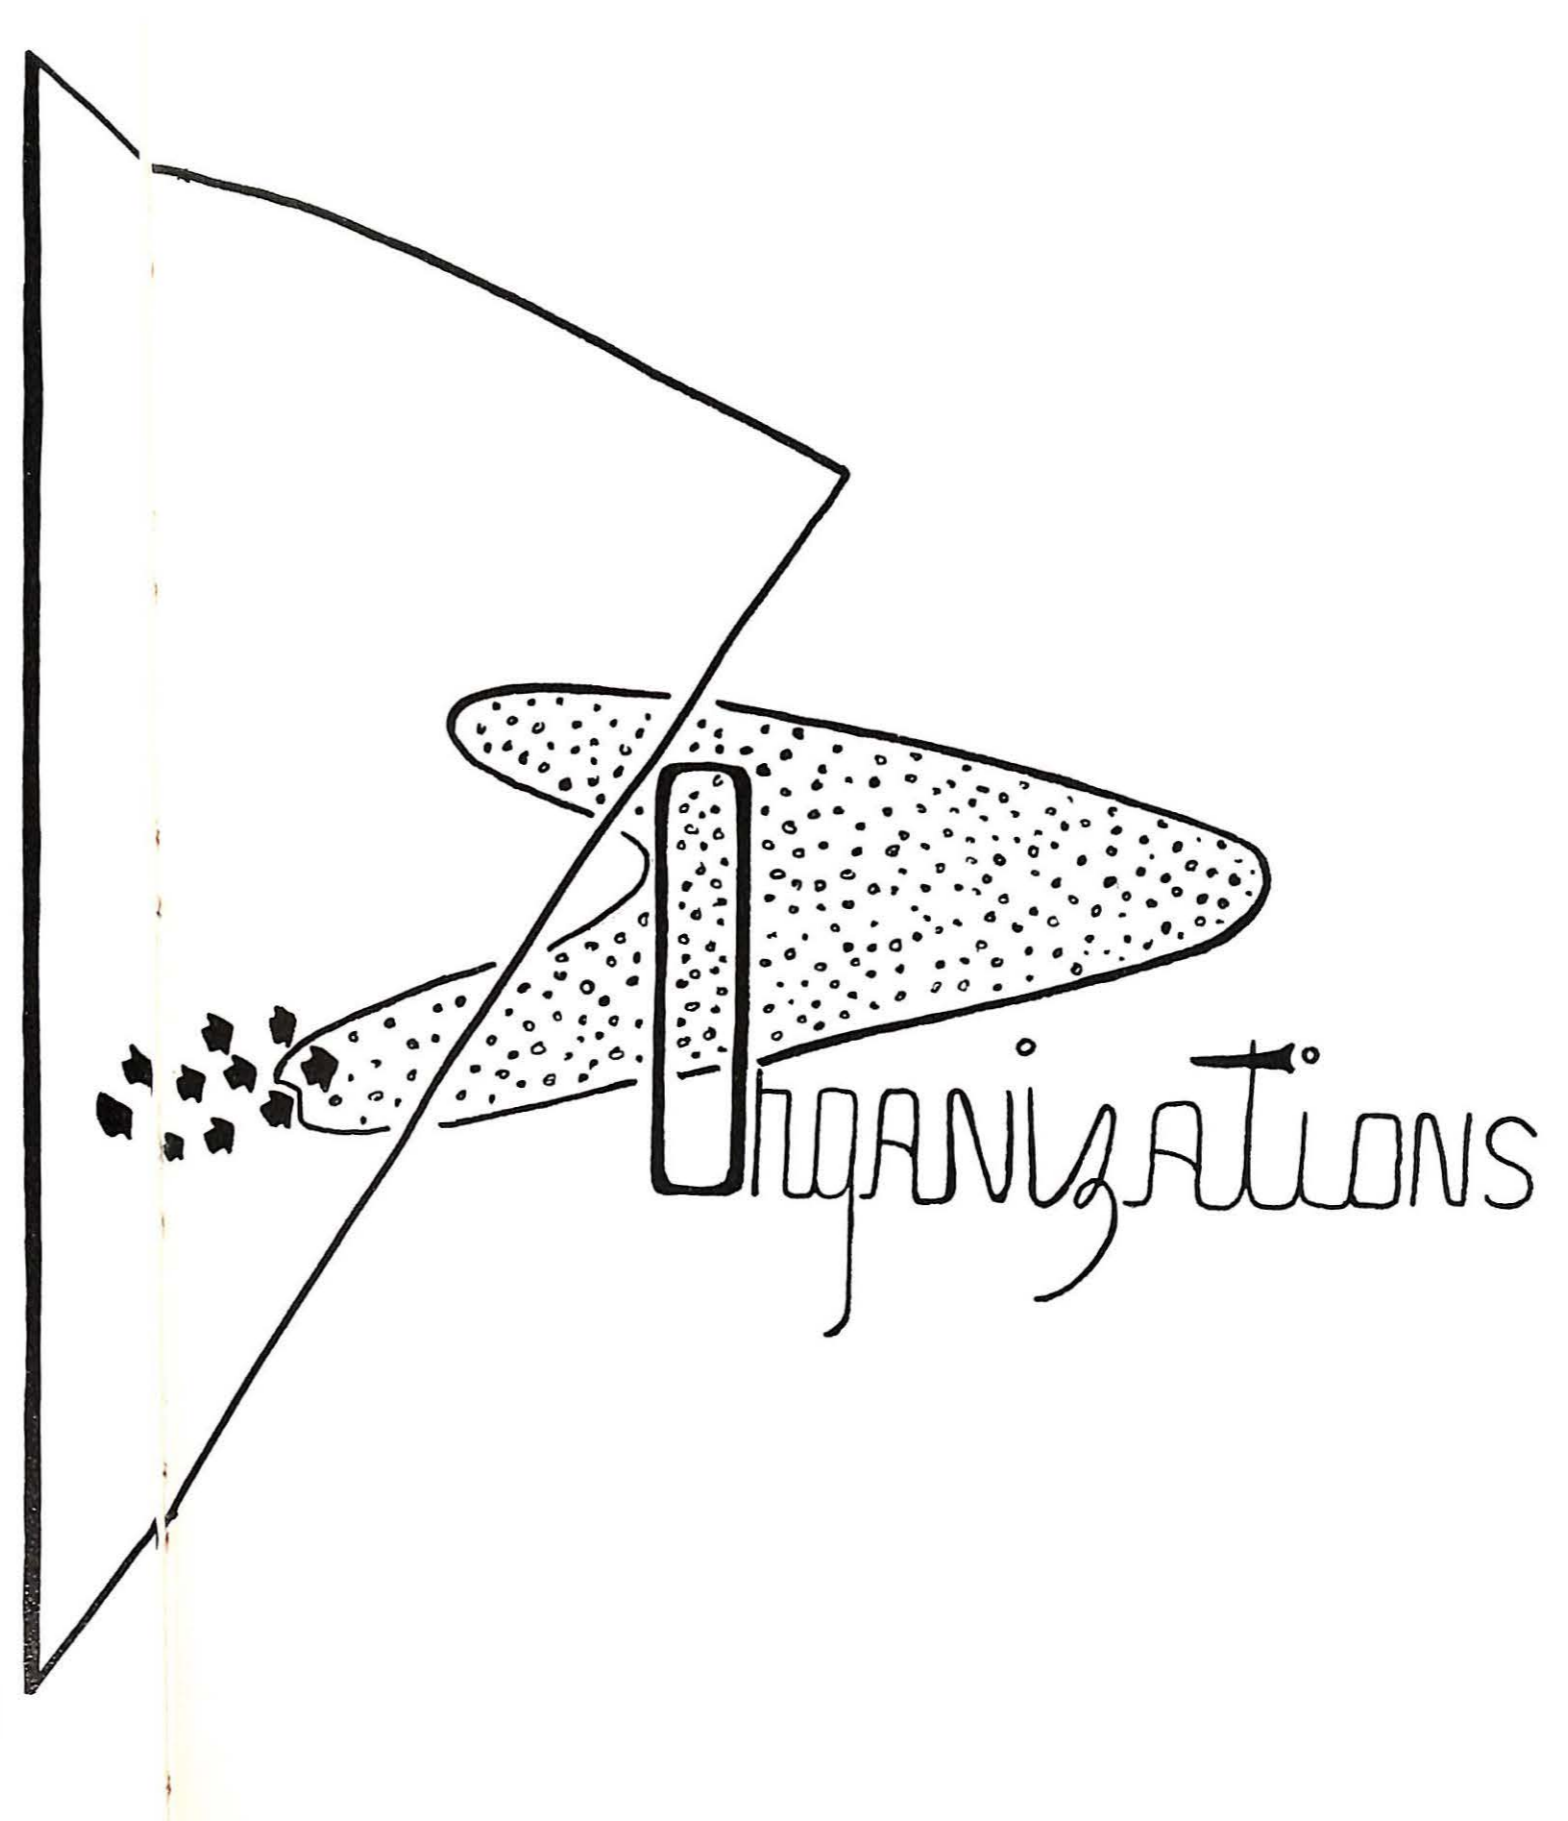

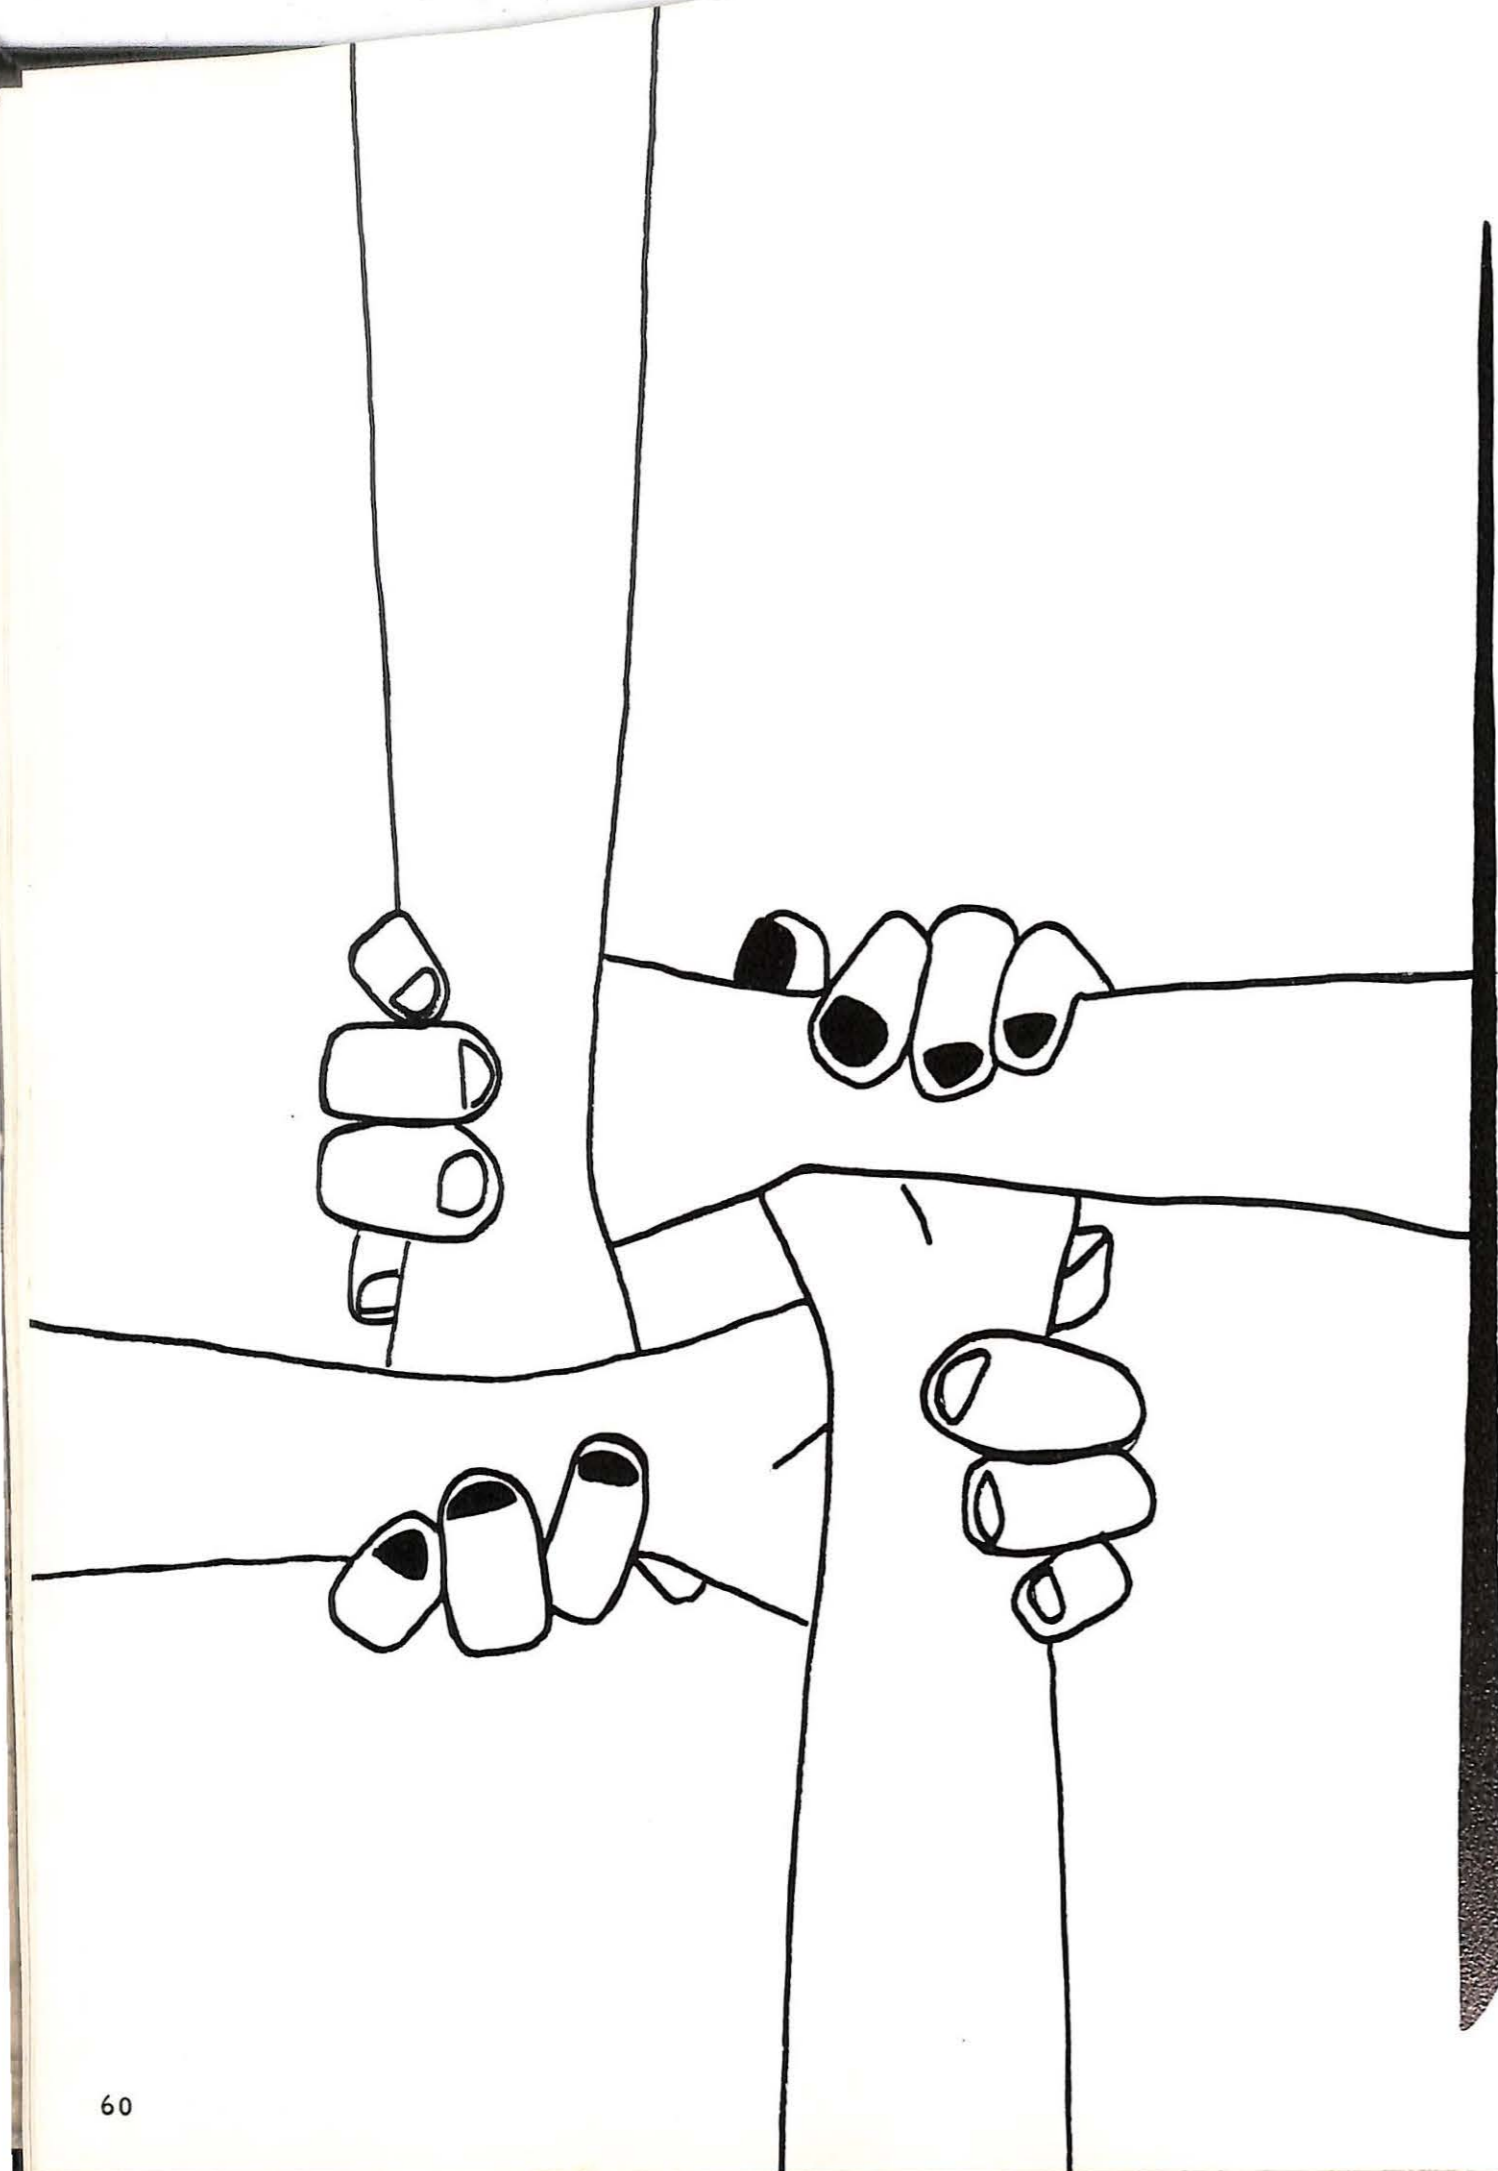

Jack Fruin, Al Russell, Dan Saunders; President, John Kehrberg; Treasurer, Bob Hitt.

Pan Hellenic Council

The Pan-Hellenic Council of Missouri Valley College is composed of representatives from each of the sororities. This council is the governing body for these sororities and makes and enforces rules for rushing and participation in activities. It also fosters a friendly atmosphere of co-operation among the various greek letter organizations.

EST NOTISSIMA

Alpha Sigma Phi was founded in 1845 at Yale University with many high ideas in mind. The cardinal purpose of Alpha Sigma Phi may be summed up in the phrase--"to better the man." The Alpha Omicron chapter also has a very colorful history. There was an organization on campus called the Tri-C Club, which was the first social club on campus, and for many years it had produced outstanding leaders on the campus. From this club the local fraternity Alpha Delta Kappa evolved and it continued for some years until, in 1945, it petitioned the national fraternity, Alpha Sigma Phi. On June 2, 1945 Alpha Omicron chapter of Alpha Sigma Phi became a reality. Since this time Alpha Sigma Phi has continued to grow and produce campus leaders.

The year 1955-1956 has proven to be another successful year for Alpha Omicron. Early in the first semester four men were initiated into the Mystic Circle: Jack Bonnot, Dan Duggins, Alan Lawson, and William Siddon. Twenty-nine men were pledged in the first semester and the spirit has been running high since then. The drive of this intangible spirit was first felt in the Homecoming activities. Our house decoration, a tufted train in 3-D with the caption, "Valley Trains Champions," was a real eye stopper; it combined a truly unique color combination, sound effects, and motion. Our house decoration received first place for the fourth time in five years. Our beautiful float, a huge pink and black telephone with the title, "Dial MVC for Murder" received another award.

In addition to their regular Saturday morning work projects, the pledges decided to completely remodel the Talisman Room, a big date and dance room in the basement of our house. The inherent beauty of this room has been enhanced with indirect lighting, lattice work entwined with vines, and stereophonic sound. Cardinal and stone, the fraternity's colors, dominate the decor. The center of attraction has proven to be the leather upholstered bar with the greek letters of the fraternity on the front. The Alpha Sigma Five, a dance band, provide the music for dancing and listening.

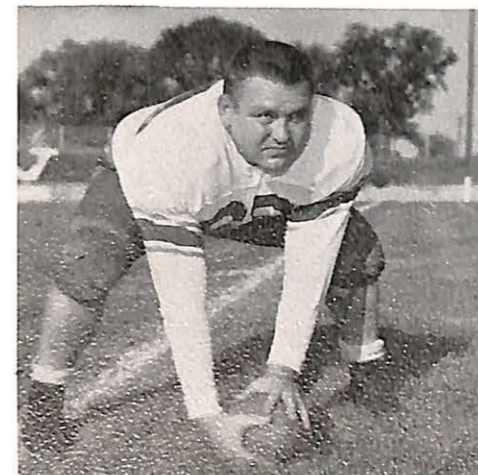

Keeping abreast of the seasons, a Nativity scene was erected in front of the house during the Christmas season. The rustic stable, thatched with evergreen boughs, provided a striking background for the painted figures. A Christmas party was held in our lounge and a big tree was decorated and taken to the Crippled Children's Home so that they too could have a Merry Christmas. During the Christmas season it was learned that Brother Don Blankenship was chosen on the Little All-American Team. Another honor to one of our Brothers was that of being elected Student Body President. Brother Walter Tearse held this office during this year and proved to be one of the best.

To forever perpetuate the memory of our Brothers who have given their lives in the service of their country, the Alpha Omicron chapter constructed a memorial on the campus and presented it to the school in honor of our lost Brothers.

Nineteen new men were initiated into the Mystic Circle of Alpha Sigma Phi at the start of the second semester. Alpha Sigma Phi, rich in traditions, decided that a traditional dance, the Black and White Formal, should be started here at Valley. So the members of the fraternity started to work and ended up with one of the finest dances ever to be held at Valley. The dance was held in April and the men all had white dinner jackets and the women were dressed in white and black formals.

Five men decided that they had at last found their one and only and got pinned. This made serenades in order and the men of Alpha Sigma Phi did these up right and presented all five brothers and their fiancées with the best serenades ever seen on this campus.

As we look back through the year we see a number of exciting happenings and events and believe that each one of these has truly represented the principles of Alpha Sigma Phi Fraternity.

Beta Omicron of Alpha Xi Delta

In looking back over the eleventh year of Beta Omicron Chapter of Alpha Xi Delta at Missouri Valley College, we see a year filled with excitement, friendship, and enthusiasm.

Fall rush consisted of the Formal Tea, a Cinderella Party, and the Formal Rose Banquet, and was climaxed by the pledging of eleven girls.

For the third consecutive Christmas, the chapter entertained several underprivileged girls from a Marshall grade school. The Yuletide atmosphere helped bring the real meaning of Christmas closer to each of us.

The social calendar for the members of the chapter has included a spaghetti dinner (given by the pledge mothers), a party for actives and pledges at the home of our faculty advisor, Mrs. McAninch, a Treasure Island party presented by the pledges to the actives and guests, and a money raising chili supper.

Alpha Xi's attainment on campus is evidenced by the winning of many honors. These include: Homecoming queen, two W. S. G. A. officers, W. A. A. president, and one girl elected to "Who's Who."

The members of Beta Omicron chapter of Alpha Xi Delta will be striving for the successes which we hope the coming years will hold.

Sigma Nu Fraternity had its origin at Virginia Military Institute in 1869, when three students formed "The Legion of Honor." The principles of the Knights of the Legion of Honor spread to other colleges and universities, and eventually, the Legion became known as Sigma Nu.

The purpose of Sigma Nu is to build character which is accomplished by placing an emphasis on scholarship and fellowship. Sigma Nu tries to prepare men for life after college by creating a high sense of honor and a love for fellowman.

Beta Gamma Chapter of Sigma Nu was founded at Missouri Valley College in 1891. Soon after being founded, it was necessary for the chapter to go subrosa, but in 1931, the chapter again became active. Through the years, Beta Gamma Chapter has built a high reputation by preserving the principles of Sigma Nu.

Two of our members, Bill Lamkin and Larry Hansen, were elected to "Who's Who." They have both been outstanding scholars, and Larry is currently serving as Lieutenant Commander. Bobbjoe Scates had the honor of serving as this year's president of the "V" Club.

An outstanding honor was awarded to Beta Gamma chapter at the first convocation of the school year. The Gallaher Cup, which is the national Sigma Nu Scholarship award, was presented by Dr. John M. Roberts, a member of the Board of Trustees at Valley and an alumnus of Beta Gamma Chapter.

In 1945 Delta Zeta found a place on Missouri Valley campus when a local sorority, Sigma Phi, decided to become a national Panhellenic member. Since that time, Gamma Gamma chapter has grown steadily by the enthusiasm, work, and interest displayed by its membership of twenty-nine girls.

This year has been one of the biggest and busiest for Gamma Gamma for each member has been striving fully for the high goals of scholarship and service that Delta Zeta stresses. One of the outstanding service projects of the sorority is the aid given throughout the year to a family of six. To add to this, the pledges have a "Courtesy Week" at which time something constructive is done for the college.

Among the honors received by Delta Zeta and its members are: first place

The activities of Gamma Gamma are many and include the following: rush parties (the fall "Plantation Party" brought in thirteen pledges); Sag Queen contest, Coronation Ball; faculty tea; a dessert bridge; money-making projects; many homecoming and Christmas activities; and numerous pledge and active parties.

TAU KAPPA EPSILON

During the latter part of 1952, the idea of a third national fraternity on the campus of Missouri Valley College crystalized in the minds of Ken Davis, Al Mocker, and Dick Mack. As a result of several meetings between the founders, the group received full sanction from the college administration.

After an extensive membership campaign, the members of the local group petitioned Tau Kappa Epsilon Fraternity for status as a colony. On January 8, 1953, this dream was realized as fifteen members and Professor Wells, adviser to the group, were initiated as pledges into Alpha Gamma Colony of Tau Kappa Epsilon.

Since the founding of Teke on the Valley Campus, the group has shown remarkable growth. On May 7, 1955, Alpha Gamma Colony became Delta Upsilon Chapter and received a national charter from Tau Kappa Epsilon. This marked the end of a long trail and the beginning of another still unknown trail.

This year was especially significant for Delta Upsilon because new living quarters were obtained on the campus. The Tekes moved into the new dorm before school started and began the task of rejuvenating the future Teke House. This task is now complete except for the regular maintenance required. The new men of T. K. E. have caught the spirit of the original founders and future success is assured. This has been a year of optimism and consolidation for Teke.

Organized in the fall of 1946, Epsilon Epsilon Chapter of Alpha Phi Omega has served Valley ten years as a fraternity founded on the principles of friendship, leadership, and service. Alpha Phi Omega strives to promote and render service to the campus, the community, and the nation. Epsilon Epsilon's campus projects have included operation of the concession stand at football games, ushering for chapel and assemblies, and painting the windows of the gymnasium. By means of the Ugly Man-Sag Queen contest it raised money for CARE and SAVE THE CHILDREN FEDERATION.

During the fall semester Epsilon Epsilon Chapter was host to the chapters represented at the Midwest Sectional Conference. The distinguished guests included Dr. H. Roe Bartle, Mayor of Kansas City, Missouri; Mr. O. A. Kitterman, Regional Executive of Region Eight, BSA; and Mr. M. R. Disborough, National President of Alpha Phi Omega.

Looking forward to continued growth, Epsilon Epsilon hopes to make more meaningful the phrase "Another Service of APO."

Valley Players

Production of plays is only a part of the purpose of this organization. Knowledge of the theater is also a goal of its members. Discussions and talks are planned for each Wednesday evening to help in the attainment of this goal. "Strike Parties" after each play complete the social program of the organization.

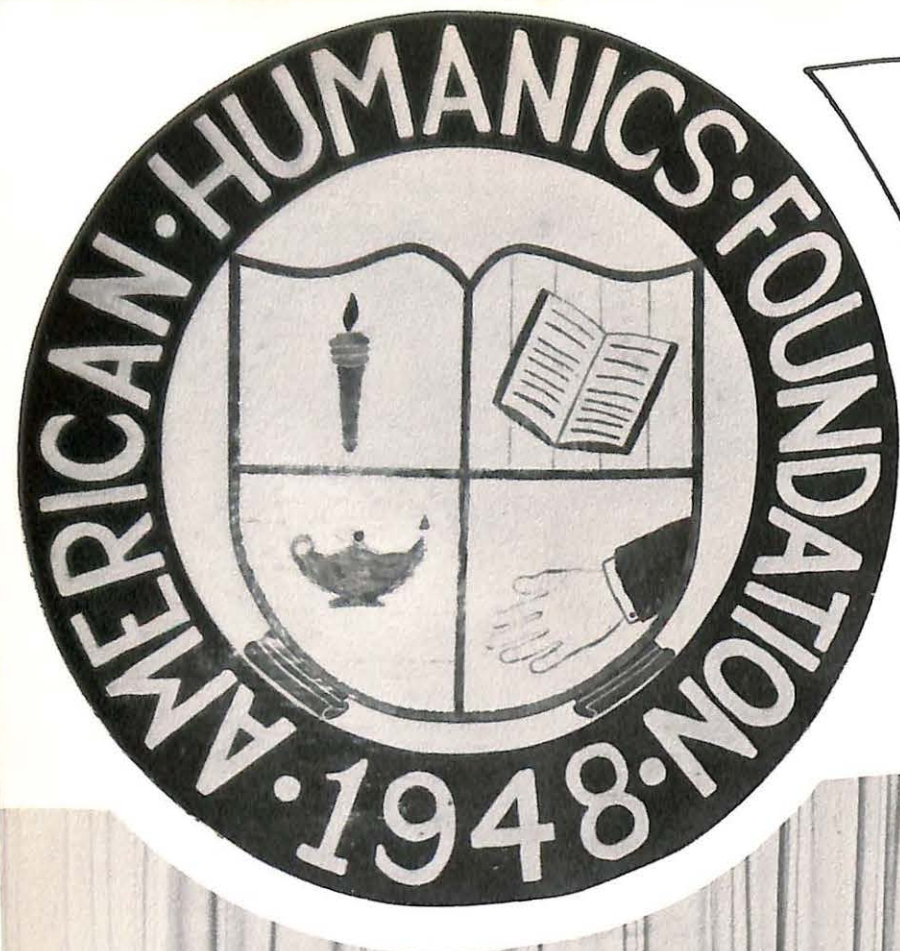

One of the outstanding organizations on the Missouri Valley College campus is the Valley Players Dramatic Club. This group, under the direction of William Force, presents several dramatic productions each year for the enjoyment of students, faculty, and townspeople.

"The Importance of Being Earnest" was the first production of the year. "Dark of the Moon" was chosen as the second production.

Student Association

Humanics 1955-56

The Student Association of the American Humanics Foundation under the leadership of Bill Sherman and Karl Schowengerdt this year completed one of its most extensive programs yet. Among the activities included were: the new students' night; a circus and field day; the senior drama; Assembly; Christmas party; social graces and parliamentary procedures seminar; reception, and an all school square dance.

The Student Association, organized in 1952, stemmed from what was once known as the Humanics Club. The purpose of the Missouri Valley unit of the Student Association is to unite all human relations students in a self-evident fellowship of mutual thoughtfulness toward the end of creating effective and intelligent leadership for social agencies.

The Association this year has strived to implement its program by providing a pre-professional camaraderie by presenting such programs as to stimulate and educate the members in the essential qualities and techniques of group work leaders, through actual experience activities, and by disseminating the ideals and purposes of both the Association and the American Humanics Foundation through the example of its members.

Delta

The Missouri Valley College Delta, the campus newspaper, is a student publication issued once a week. The paper, first established in 1893, has continually held as its policy the honest and complete reporting of all factors affecting the life of the students at Missouri Valley. The editorial, news, advertising, and business staffs are completely in the hands of the Editor-in-Chief and the students working with him. The Editor-in-Chief for the fall semester was Dan Saunders with Bill Sherman as Associate Editor. Chuck La Coste was the Editor-in-Chief for the spring term with Bob Maurice as Associate Editor.

The Newman Club, first organized on the Valley campus during the fall term of 1952, is a club of Catholic culture and Catholic fellowship. The organization holds as its purpose the fostering of spiritual, intellectual, and social interests of Catholic students of Missouri Valley College and welding them into a common union. It endeavors to assist the college and its students whenever possible.

The first Newman Club was established in 1893 at the University of Pennsylvania. Because Catholic Culture was the keynote of their program, they adopted Cardinal Newman as patron of the organization. Recognizing his life as the Catholic ideal of Scholarship, they emphasized his writings as great granaries of knowledge for the receptive minds of students.

First organized on this campus in the fall of 1952, the local Newman Club soon achieved recognition as an approved campus organization. Most of this year we have had a variety of social activities, ending the semester with a trip to Conception, Missouri.

The Student Christian Association, affiliated with the National YM-YWCA has offered a varied and eventful program to its members this year. Spiritual development, working with others, and enriched fellowship have been stressed in our bi-monthly meetings of worship and discussion; projects; and social events.

Among the foremost activities were the annual Sadie Hawkins Day (with proceeds going to World University Service), a Candlelight Communion service at Christmas time, joint meetings with the Newman Club, and Faith and Life Week.

In November, SCA was host to the Fall Conference of the other College Y's of the Missouri District. Several of our members also attended the Spring Conference held in April at Lake of the Ozarks.

Gospel teams were again formed this year with students presenting speaking and musical services at area churches.

Chi Alpha Omega

Holding as its primary purposes the promotion of Christian fellowship among students and the personal development of its members so as to better enable them to follow God's will in their lives, Chi Alpha Omega seeks to contribute to the campus spiritual life.

Early in 1954 the fraternity voted to make the membership open to women who had chosen a church vocation for their life's work. Membership in Chi Alpha Omega is open by invitation to all students who are planning on a church related vocation.

One of the major projects of the organization each year is a retreat which is held at the parish of a Missouri minister. The purpose of this retreat is to allow the individual to look at himself in his relation to God's will for his life, thus enabling him to grow in his Christian experience.

Chi Alpha Omega means "Christ first and last."

The Hubert Wheeler Chapter of the Future Teachers of America was founded on the Valley Campus in 1952. Our membership is open to all students who are preparing to teach. The highlight of our fall program was a report from Mr. Lickey on the "White House Conference on Education" which he attended as a delegate from Missouri. In the spring we climaxed our year with election of officers and a big picnic. One of our members, Amy Martin, is a member at large to the Missouri Council of the Future Teachers of America.

SEATED: Lee Hynes; Barbara Grady, Secretary; Neil Maupin, President; Tom Dautenhahn, Vice-President; Dale Gault. STANDING: Skip Frazee; Carol Spreckelmeyer; Leland Kessler.

Science Club

The Missouri Valley chapter of the Missouri Academy of Science meets on alternate Thursdays of each month. The Missouri Academy of Science is dedicated to the advancement of science in Missouri. It is composed of science clubs in universities and colleges throughout the State of Missouri.

Interesting programs are given at these bi-weekly meetings. The programs for this year included discussions on high-fidelity, space satellites, scientology, mathematics, chemistry, and physics. The Missouri Academy of Science met on the campus of Lincoln University on April 14, 1956 and papers and demonstrations were presented. Leland Kessler, MVC, is the current president of the Missouri Academy of Science.

The officers of Valley's Science Club are: Neil Maupin, President; Tom Dautenhahn, Vice-President; and Barbara Grady, Secretary-Treasurer. The members are Ron Erhardt, Chuck LaCoste, Skip Frazee, Herb Pitts, Bill Lamkin, Bob Stalcup, Carol Spreckelmeyer, Lee Hynes, Jim Stubbs, Ted Odle, Dale Gault, Kenroy Snuffer, and Bob Boatright.

A Cappella Choir

The A Cappella Choir was organized in the fall after tryouts which indicated a membership of over forty. Meeting during the noon hour and on Friday afternoons, the choir mastered a large repertory of sacred and lighter numbers.

In April this preparation was climaxed by a tour through northwest Missouri, a territory which had not been visited in some years by the choir. Concerts were sung in churches and high schools in Independence, Kansas City, Lee's Summit, North Kansas City, Parkville, Excelsior Springs, St. Joseph, Savannah, Rockport, Bethany, and Trenton. As always, the choir was received enthusiastically wherever it appeared. Soloists with the choir during its tour were Carolyn Hurst, Dorice Willoughby and Clay Killion.

Besides the spring tour, the choir also presented concerts in Corder, at home in Stewart Chapel, and at several other churches and high schools.

The Madrigal Singers

The Madrigal Singers is a small vocal ensemble of fifteen selected singers, organized this year, which concentrated on choral literature which is especially adaptable to performance by small groups. Rehearsing at intervals, an interesting repertory was prepared and presented for various occasions. Among these were appearances in assembly and before the local Kiwanis and Rotary Clubs, and also a young people's group in Kirkwood, Missouri.

Vesper Choir

The Vesper Choir enjoyed a very successful year with a membership of over fifty and each section possessing a number of good voices. One of the most satisfying performances of Handel's Messiah in recent years was presented in Stewart Chapel in December. The soloists, all members of the choir, were: Carolyn Hurst and Dorice Willoughby, sopranos, Dolores Focareta, alto, and Clay Killion, Baritone. The organ accompaniment was skillfully played by Helen Luehrman, senior member of the choir and accompanist during her four years in college.

On Palm Sunday Stainer's "Crucifixion" was presented by the choir in observance of the pre-Easter season. The choir also presented special music for several of the weekly chapel services during the year.

Men's Quartet

The Men's Quartet was organized during the fall semester and appeared before a Presbyterian Men's Retreat at Knob Knoster, Missouri, the Marshall Rotary Club, and toured as a part of the A Cappella Choir presenting programs in high schools and churches.

Women's Athletic Association

Under the sponsorship of Mrs. Gilbert, a well rounded athletic program was made available to women on the campus of Missouri Valley College.

At the beginning of the year, a wiener roast was held at Indian Foothills Park for all women interested in participating in the activities of the organization.

The point system was revised and individual awards for those girls participating in sports activities and obtaining over five hundred points were presented at the end of the year.

W. A. A. 's chief activity for the year was the intramural program handled by Carol Twente Lyon and Betty Greer. Alpha Xi Delta, Delta Zeta, Independents, and Town Students participated in this program. The Valley organization has been asked to participate in a volley and an individual sports day at Missouri University and Park College respectively. In addition to these two sports days Valley had their annual basketball sports day preceded by the Faculty-All Star game. To end the year a picnic was held in honor of the graduating seniors.

Music Society

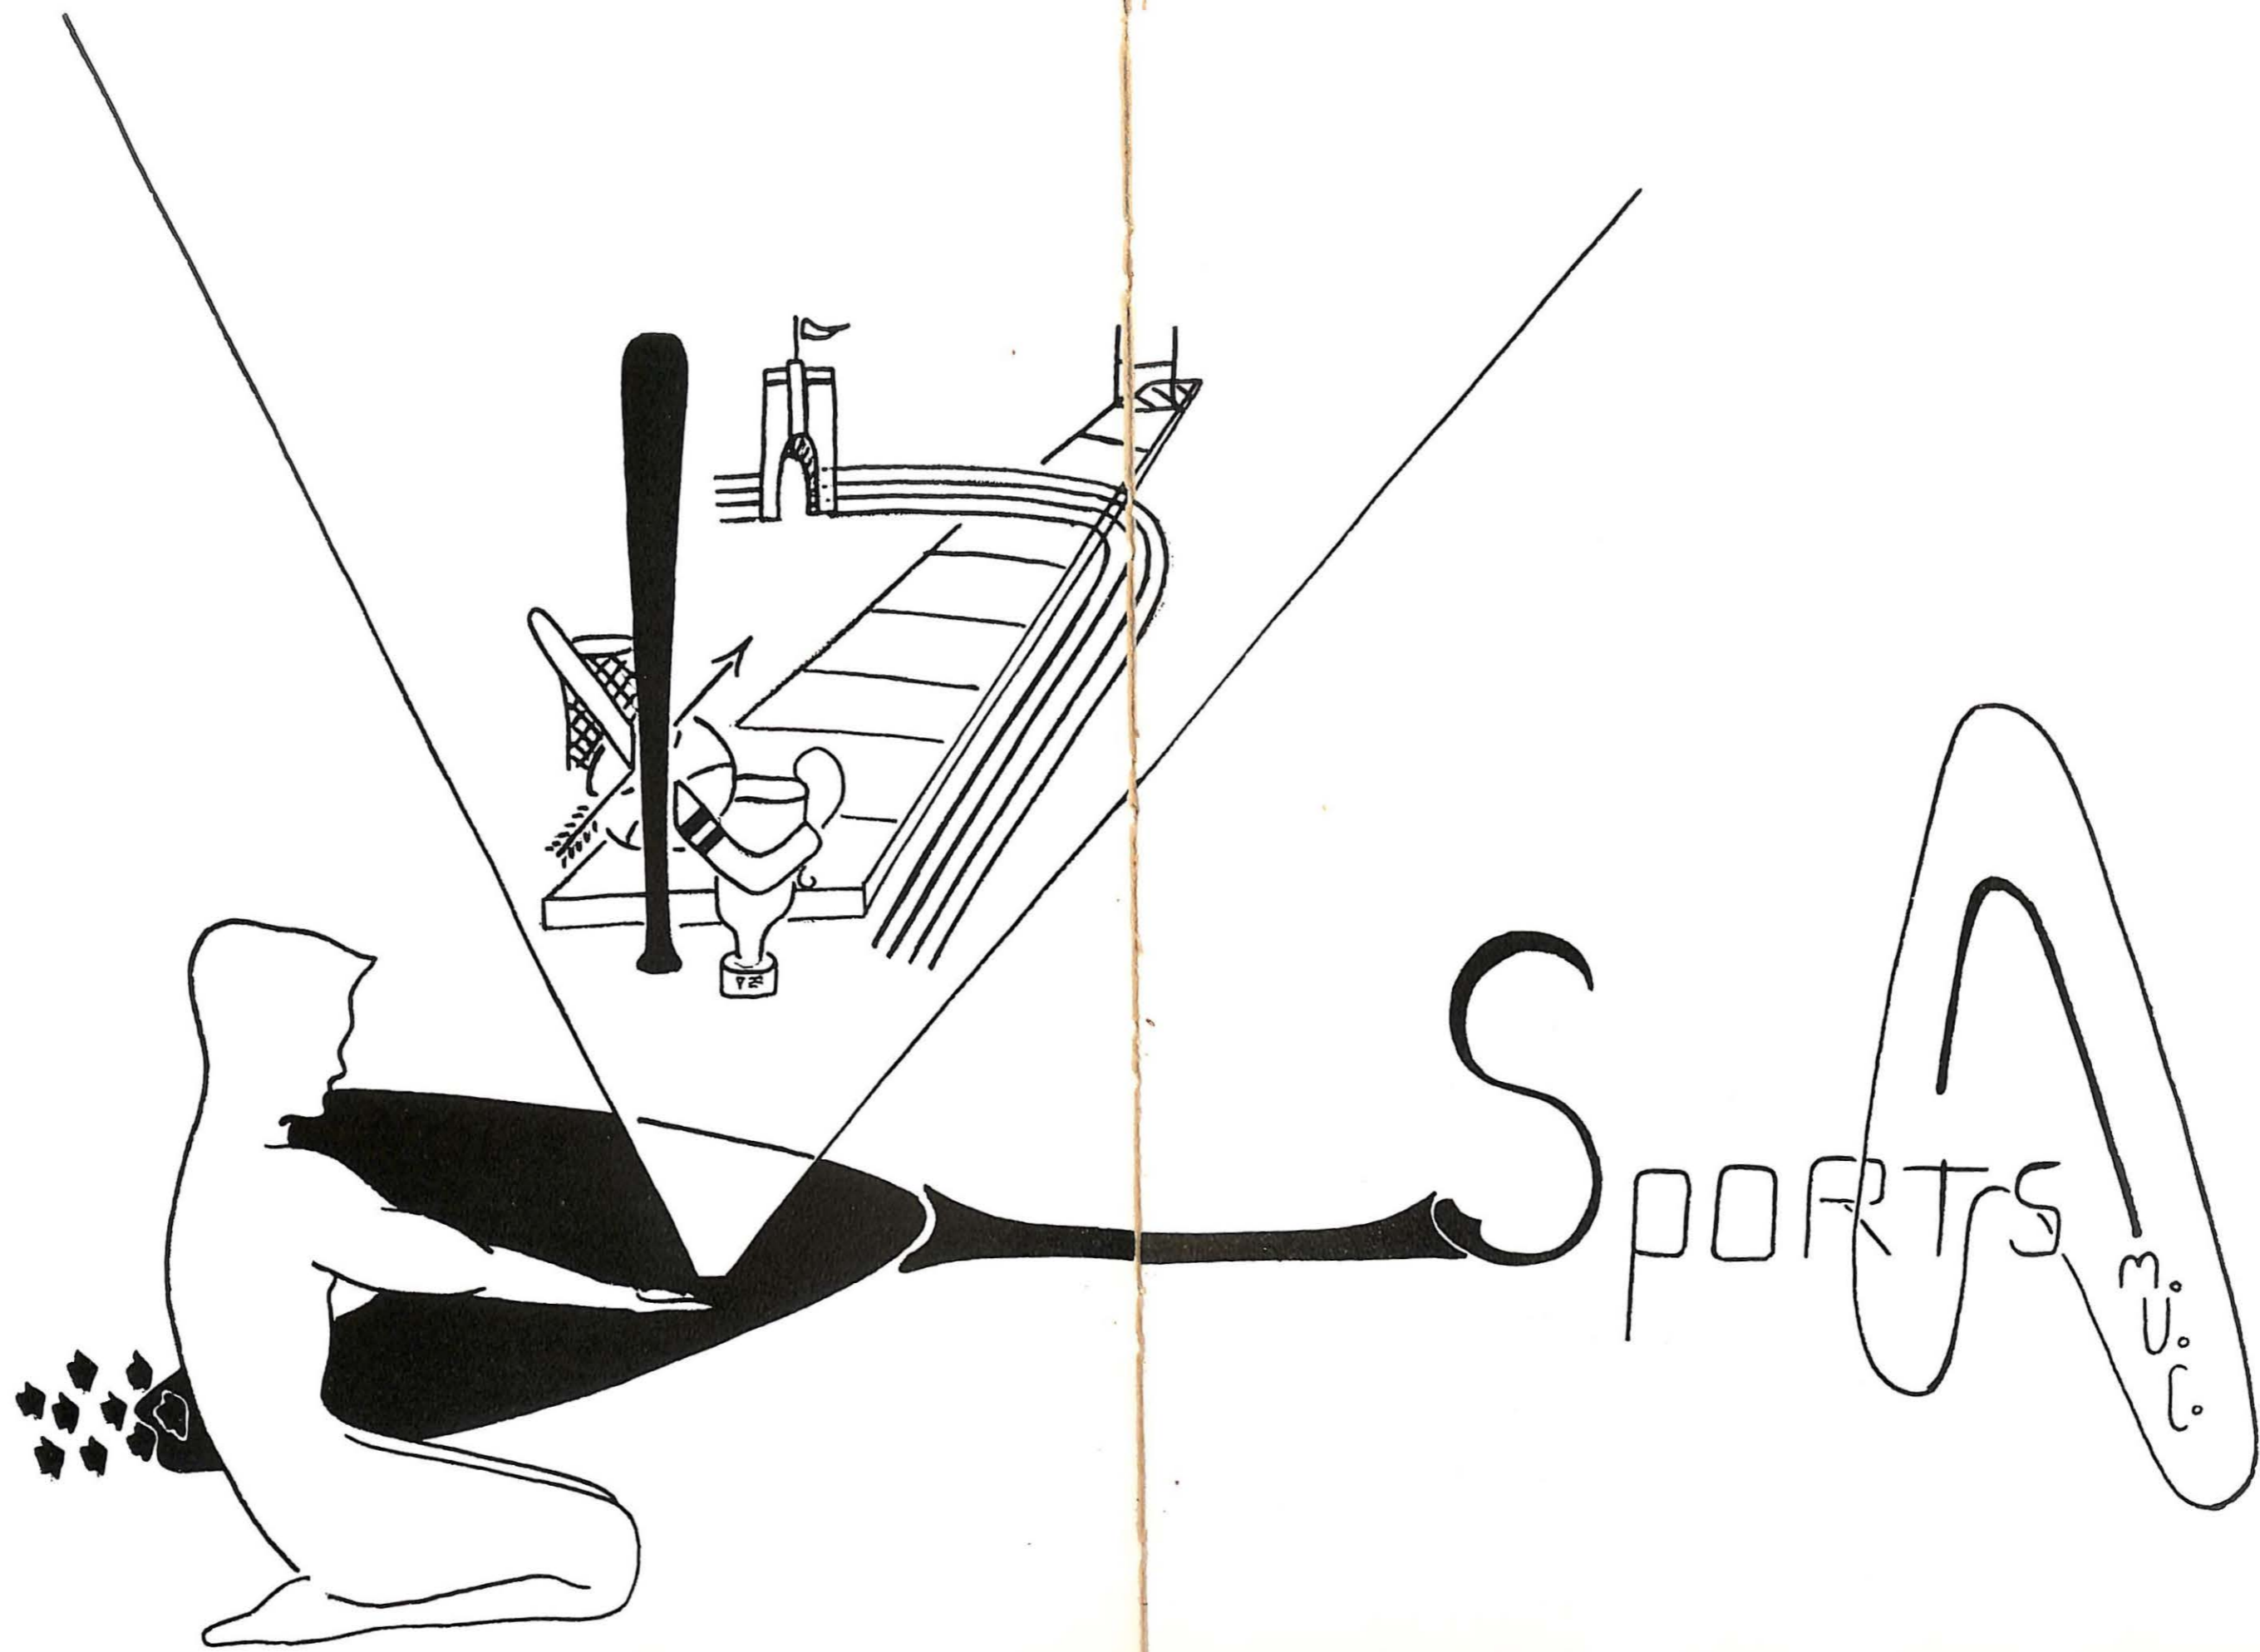

The Music Society of Missouri Valley College was organized November 29, 1955. Its predecessor, The Davidsblunder Society, was exclusively for music majors.

To be eligible to active membership in the new Music Society, a student must be registered in courses in Missouri Valley College for at least one hour's credit and shall have a sincere interest in the promotion of music on the Missouri Valley College Campus.

The purpose of the organization is to recognize and to promote musical interest on the campus of Missouri Valley College.

The officers elected were Miss Evelyn Mayden, President; Miss Dorice Willoughby, Vice-President; and Miss Helen Luehrman, Secretary-Treasurer.

The faculty sponsors for this group are Dr. Louis Hansen and Dr. Claude L. Fitchthorn.

"It shall be the purpose of this organization to uphold, maintain, and promote clean and wholesome athletics, and to co-operate in every way with the department of athletics in all its efforts and requests to preserve the high morals of athletics of the student body of Missouri Valley College."

The 1955-56 "V" Club, under the leadership of Presidents Bobbiejoe Scates and Herb McCoy and sponsors Coaches Volney Ashford and John Hunt, worked throughout the year towards the fulfillment of the preceding creed.

To obtain money for the various club interests, the members worked faithfully with their concession stand during the basketball and track seasons.

Each year the club sponsors a "V" Club high school invitational track meet with over thirty teams competing. Also during the last part of the school year, an alumni dinner and barbecue are held.

"Mr. Viking"

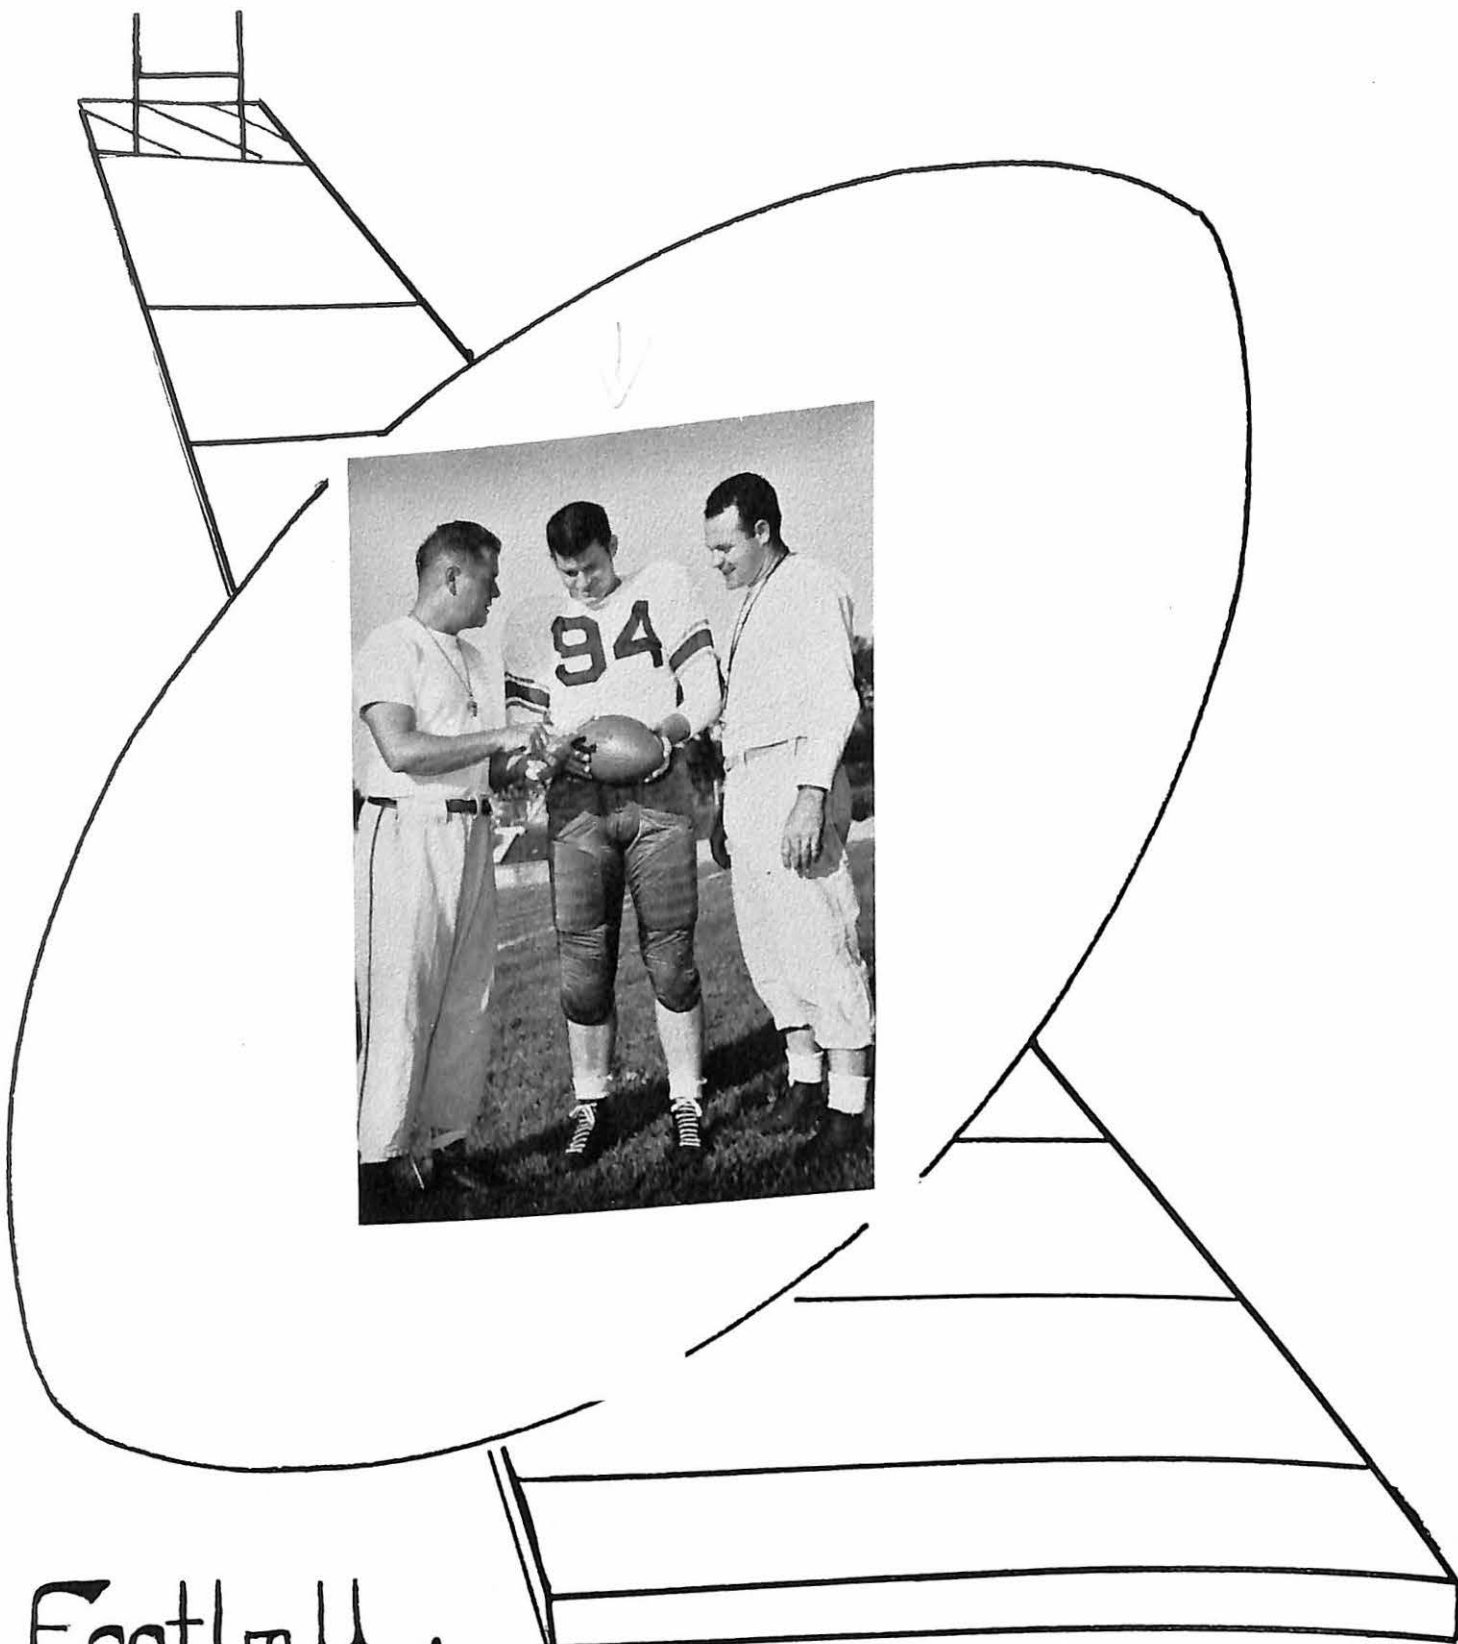

Mike Newell

An "outstanding" athlete can best describe Mike Newell, a senior physical education major from Edwardsville, Illinois, who was chosen for the honor of "Mr. Viking," an annual award presented by the "V" Club for meritorious service to the college in the field of athletics.

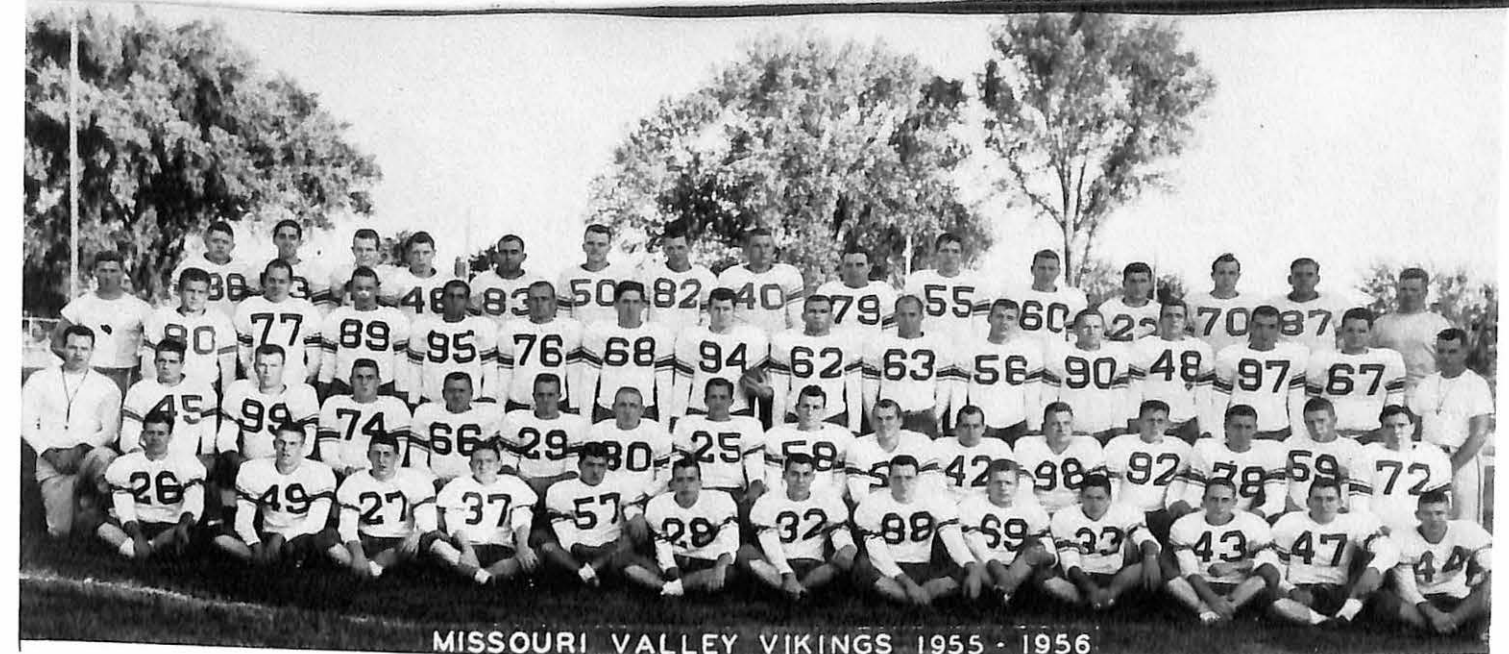

Mike, a basketball letterman, has been chosen for the "All Conference" basketball team for three of his four years as a member of the Viking basketball squad. He has been credited by many as one of the greatest players to attend Missouri Valley College.

Mike is indeed a deserving recipient of the "Mr. Viking" honors as a result of his contributions to athletics at Missouri Valley College.

The Missouri Valley Vikings rolled through a tough nine game schedule and emerged victorious eight times.

The season opener was against Springfield and Valley showed mid-season form in outclassing them 14-0. Next on the schedule was Kirksville who was downed 25-7. James Millikin University was next in line to be run over by the powerful Vikes. After scoring at will in the first quarter, the Viking starting line-up let the reserves finish the game which ended in a 33-21 victory. Valley then traveled to Lockport, Illinois to play Lewis College, which was rated as one of the nation's most powerful small college teams. Although Lewis lived up to its notices, Valley posted victory number four by winning 19-14. Valley's homecoming foe was Austin Peay State of Tennessee and the mighty Vikings polished them off easily 20-2. The Vikings then traveled to Oklahoma to play N.W. Oklahoma State College. The Rangers threw a scare into the Big Orange during the first half, but the Vikes rallied to win 21-12. Then came the big game with Jewell for the M. C. A. U. conference crown. After a scoreless first half, Valley ripped up the middle for two touch-downs in the second half and a 13-0 victory. As the low score indicates, the tension was great on both sides, but Valley's great defense was too much for Jewell's powerful offense.

Valley's starting team then had a week's rest before they played the St. Benedicts' Ravens, but the Freshman Vikes went to Tarkio to play Tarkio College's varsity team and humbled them 18-13. When the Vikings took the field against the Ravens it was the last home game for nine Valley seniors: Don Blankenship, Dick Butterfield, Bill Dennis, Cecil Naylor, Lavon Norvell, Dave Ochsen-schlager, Loy Perkins, Bill Perrin, and Bobbie-joe Scates. The Vikes walked off with a 25-7 win and their eighth straight victory. Mc-Murry of Texas was the last game on the schedule and the Vikings were hopeful for an un-defeated season, but knew that the Indians were tough. Valley lost this game 14-6 but they made the Indians earn it.

The Vikings were then chosen to play in the Mineral Water Bowl on Thanksgiving Day. Valley's opponent was the defending bowl champions, the Hastings College Broncs. Valley emerged victorious in a one-sided game 31-7.

Valley then received a bowl bid to play Juniata College in the Tangerine Bowl in Florida. When the game was over it was a tie, 6-6, but Valley had broken their twenty-three game winning streak.

Victory Streak Ends at 23
in Tangerine Bowl Game
With Missouri Valley

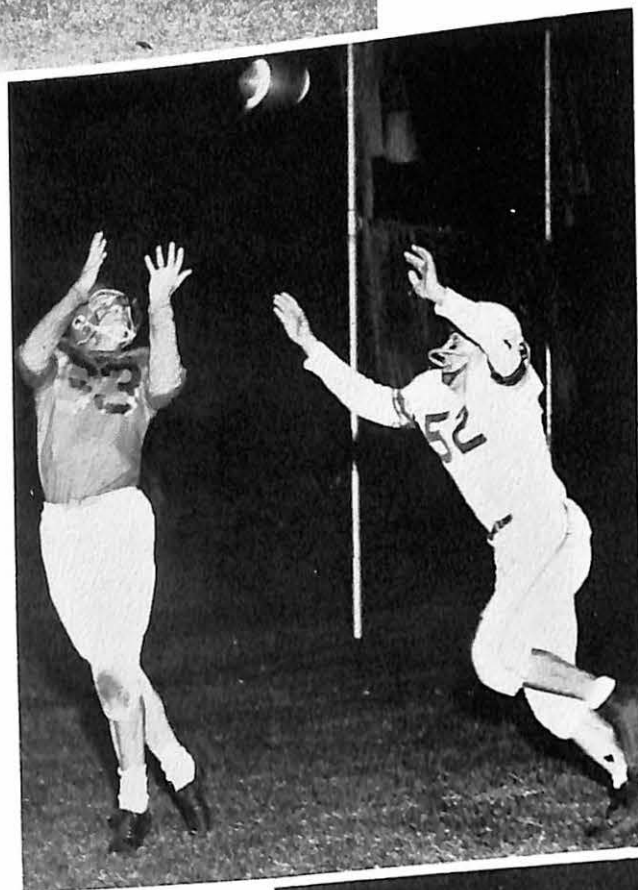

ORLANDO, Fla., Jan. 2 (AP) —All the pass throwing of Pat Tarquinio and catching of Barry Drexler couldn't save the second-longest winning streak in college football tonight when a big, rugged Missouri Valley line forced Juniata of Huntington, Pa., to settle for a 6-6 tie in the tenth annual Tangerine Bowl game.

Tarquinio, Juniata's star tailback who had led the Indians to twenty-three straight victories, covered 216 yards with fifteen passes. Drexler caught eight tosses for 164 yards.

The bigger and better-manned Missouri Valley Vikings from Marshall, Mo., battered Juniata back just short of the goal line twice in the final minutes.

Both touchdowns were made in the first quarter and both were tallied on passes.

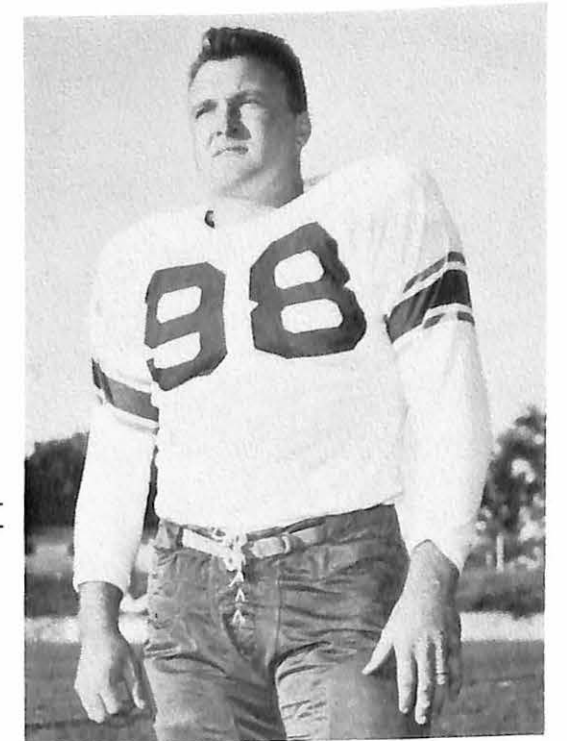

Bobbie Joe Scates, a left-handed Missouri Valley tailback, tossed eleven yards to Ken Gibler after a Juniata fumble at its 16. Then the Tarquinio-to-Drexler passing combination got Juniata a 30-yard touchdown and the tying points.

The intramural sports program for the men on Missouri Valley's campus offers a wide variety of activities for those who do not take part in varsity competition. The primary aim of the program is to develop sound bodies and good health along with good athletic competition.

The Intramural Director and the Intramural Council set up the activities which will take place during the year. The major sports--football, basketball, and softball--usually head the list with the minor sports--volleyball, table tennis, bowling, and handball--also being used.

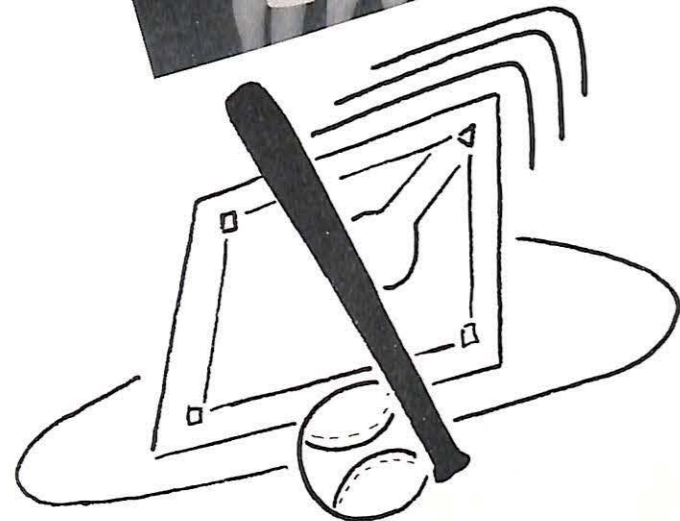

Keen competition among the organizations have resulted in many exciting and interesting contests being played.

Women's Intramurals are sponsored by the Women's Athletic Association, whose executive body serves as the controlling board. Points are given for each activity entered, both individually and to teams. The intramural managers, Carol Twente Lyons and Betty Greer, operated the Intramural Council's Activities, composed of a representative of each team. Mrs. Marian Gilbert, the Women's Physical Education instructor

at Valley, in addition to her duties in the gym classes, is the advisor for the girls' intramural program. Mrs. Gilbert's ability to demonstrate correct playing techniques of the various sports makes her quite useful to the girls' athletic program. Referees and other officials are chosen from the Womens' Athletic Association membership. Intramurals are conducted

in field hockey, volleyball, basketball, softball, tennis, badminton, archery and various other individual and team sports. Participation in several sports' days in competition with other colleges serve to increase interest and cultivate keen sportsman-like spirit and competition in the over-all intramural program.

A banquet is held at the close of spring semester. At that time the

Intramural Trophy is given to the team accumulating the highest yearly record. These points are earned by participation in the various sports. Also at the banquet are given tokens of achievements to different individuals, who by their participation in the sport activities of the year have earned a high number of points, making them eligible for these individual awards.

Cheerleaders

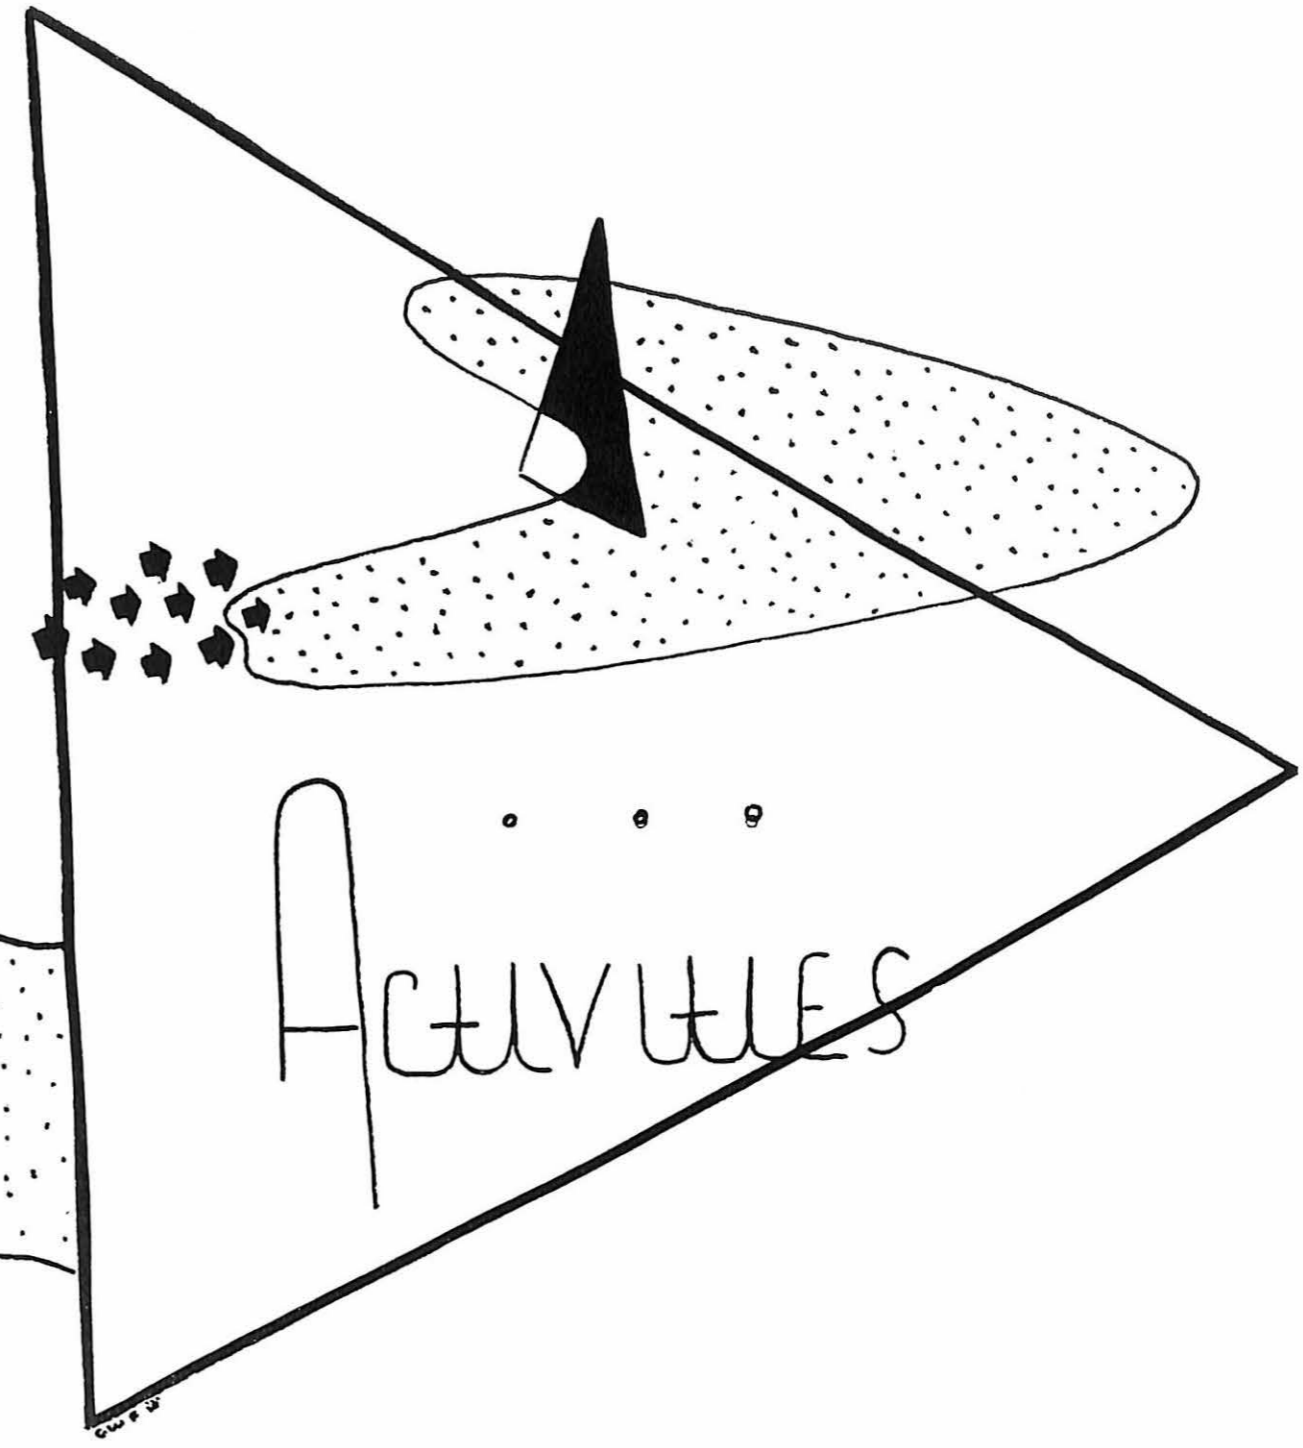

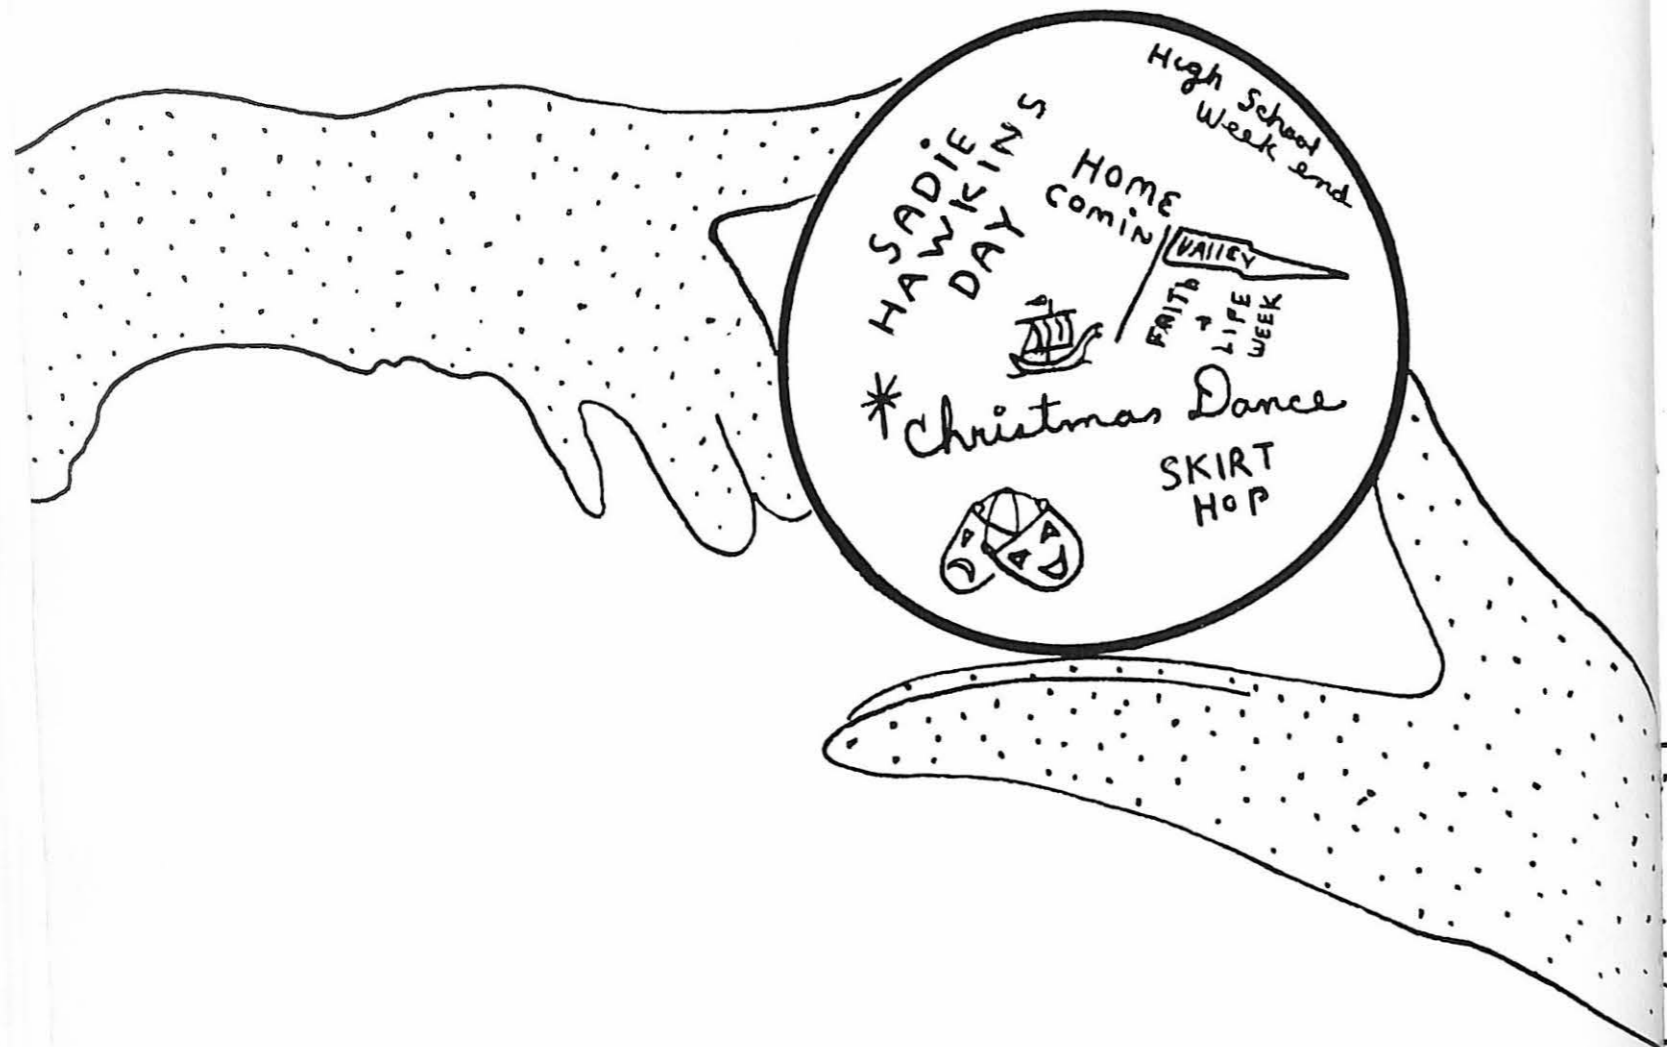

Seven lusty-voiced Vikings led the Valley rooters in their efforts to spur on Viking athletic teams during the year. They included: Pat Jones, Janet Nowin, Floyd Curry, Marilyn Aldredge, Dick Chandler, June Hales, and Peggy Coots.

The cheerleaders worked diligently through the football season and the long basketball season, and many fans said the enthusiasm of the Viking rooters this year surpassed that of recent years by a considerable degree. The cheerleaders, along with a number of students in a band formed during the basketball season, made Valley's spirit very high.

Faith and Life Week

An interesting and inspiring contribution to campus life is the annual Faith and Life Week. This year's speaker, Dr. William E. Phifer, added much to enrich the spiritual life of the students. Active student participation in the worship services, such as reading the scriptures, and leading the singing, result in a week of religious emphasis which is a lasting experience in the minds of many students.

The annual Skirt Hop given by the Women's Student Government Association was held February 11, in the Women's Residence Hall. Loy Perkins was crowned King of Hearts and his court consisted of Heartbeats from the classes--freshman, Dan Coleman; sophomore, Dennis Spellman; junior, Bill Rhoades; senior, Arnie Scribner.
